Bits & Pieces

ASSHOLE OF THE MONTH

LINDA LOVELACE

It's a cunt's prerogative to change her mind, but when that pussy squeezes out more turds than orgasms, she reveals her true nature as a shit-barfing orifice. Linda Lovelace could have gone down in history as the world's first porn star, except that she is the type of bitch who poops with her twat and then blames all her friends for not keeping her fecal snatch wiped, which is why her enduring fame will be as HUSTLER's Asshole of the Month for March 2001.

The release of 1972's *Deep Throat* showcased Lovelace's ability to inhale pricks whole, no matter what their girth or length. During her brief XXX tenure, Lovelace was also renowned for such onscreen parlor tricks as taking an entire human foot and, more famously, a canine penis, up her snatch.

An illustrious canon, but Lovelace felt the need to move on. Unfortunately, her bow from the blue screen ushered in her less noble career as a shit-smear artist.

In 1979, after failed crossover attempts, a heavy cocaine habit and a slide into welfare dependency, Lovelace teamed with hack Mike McGrady, whose résumé includes the esteemed *Stranger Than Naked, or How to Write a Dirty Book for Fun and Profit*. The resulting collaboration, *Ordeal*, is less credible than the *Warren Commission Report* on Kennedy's assassination.

Ordeal attempts to disavow Lovelace's choad-huffing past via character execution. Claiming to be clueless to the point of autistic, Lovelace painted herself as the "stupid and naive and gullible and scared" captive of her then-husband and manager, Chuck Traynor, whom she alleged regularly beat her, hypnotized her several times a week and forced her into porn at gunpoint.

"There was always a gun pointed at my head," Linda claimed. "There were always tears in my eyes and a lump in my throat."

The only lumps in Lovelace's throat are the dongs that she crams into her esophagus. Feigning such cock-happy abandon under duress would require acting skills not apparent in Linda's mangled delivery of *Deep Throat*'s dialogue.

Even more far-fetched are *Ordeal*'s pleas for anonymity. "The world won't let Linda Lovelace rest in peace," Lovelace whines. The bitch promptly violated her own concerns for privacy by upping her public profile with book-promotion appearances and engagements on the lecture circuit.

Not content with collecting royalties from painting her former spouse as a gun-pointing rape accessory, Lovelace graduated to campaigning against the entire porn industry. Shilling for feminazis Andrea Dworkin and Catherine MacKinnon, Lovelace testified on behalf of their proposed 1983 law that would have allowed *any* woman to sue pornographers on the grounds that smut is a form of sexual discrimination.

Lovelace also spieled her victim rap in 1986 to the Meese Commission on Pornography, a Reagan-appointed witch hunt that failed miserably to link graphic erotica with sexual assault and criminalize adult material. "Every time someone sees [*Deep Throat*], they are watching me being raped," Linda sobbed.

Lovelace's manipulation of image belies her anguished cries. Without pornography, neither her dupe shtick or schlocky attempt at a mainstream film career would have been possible. The onetime prick-hound craftily disowns or embraces her cum-catching history as opportunity dictates, a fact made clear by her most recent smut-facilitated splash in the public eye.

"I guess I'm more disappointed in the women's movement than anything," Linda notes in the January 2001 issue of skin magazine *Leg Show*. In text that accompanies a pricktease photo layout of the 51-year-old wildebeest, Lovelace laments that cock-hating fascist bitches "made a lot of money off of me," though she doesn't say if MacKinnon and Dworkin forced her to testify at gunpoint.

"Money was my motivation" for currently posing as a masturbatory aid, Lovelace admits, though she tries to leaven her mercenary sexual exploits—and maintain her supposed antiporn stance—by adding, "there's nothing wrong with looking sexy as long as it's done with taste."

The crow's feet and sagging frame displayed in Lovelace's photos are as sexy as an anal wart. The only taste associated with Linda Lovelace is the bitter tang of a sour, dribbling, double-crossing Asshole.

FARTS IN THE WIND

Bill Johnston: A former assistant U.S. attorney, Johnston helped spur an investigation into the FBI's use of pyrotechnic gas in the April 1993 firestorm at the Branch Davidians' Waco compound. This past November, Johnston was indicted on charges of obstructing the very investigation he called for. Johnston admits to withholding several pages of relevant notes from investigators, because they "treated me with the same loathing and hostility that I had encountered from the Justice Department." How else are you supposed to treat an Asshole who covers his own while ratting out his colleagues?

Ronald Edward Gay: Upset that his sons had changed their last name because of its homosexual connotations, Virginia resident Gay stormed into a local queer bar and opened fire, killing one homo and wounding six others. Will the kiddies be any happier being known as the offspring of an Asshole?

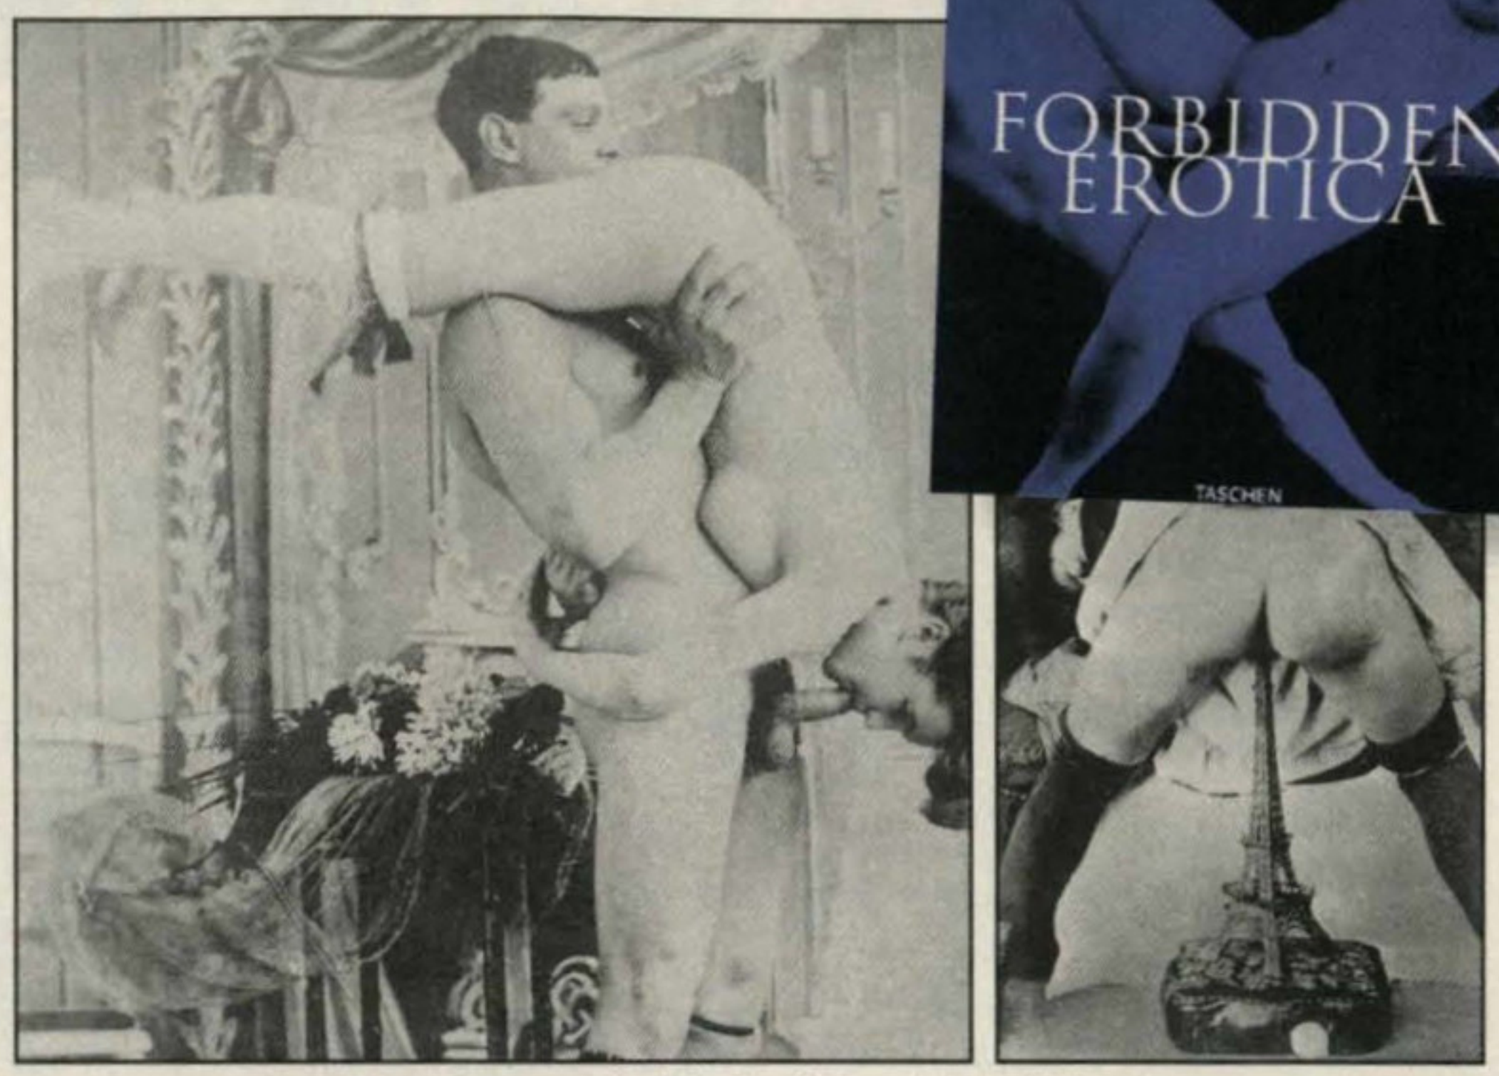
Your Great-Grandmother Was a Dirty Whore

Forbidden Erotica

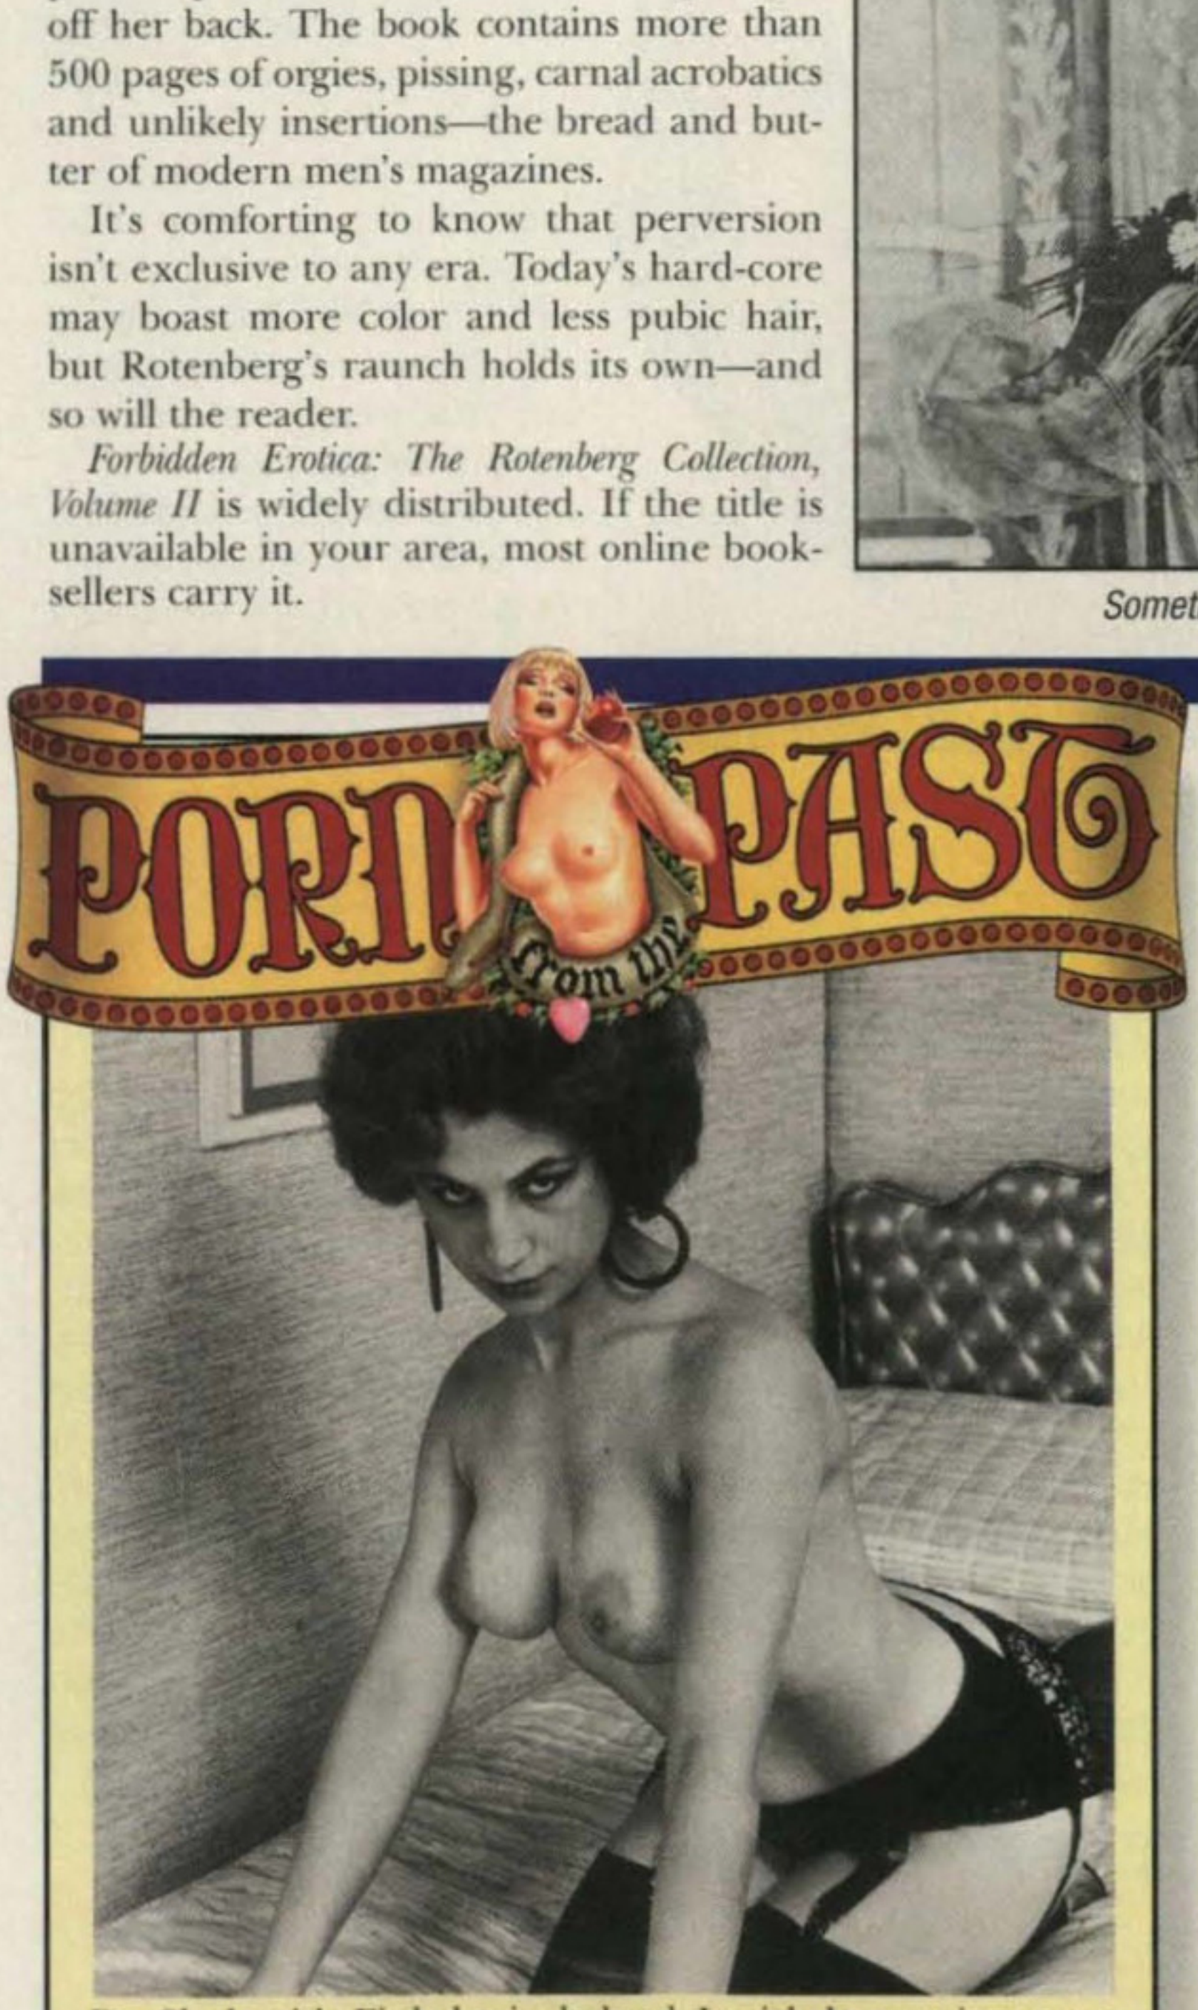
Men have gone slack-jawed over unspeakable filth for as long as there have been men, jaws and filth. It comes as no surprise that today's hard-core thrills aren't that different from the explicit 'nad drainers of yore. In *Forbidden Erotica: The Rotenberg Collection, Volume II* (Taschen, 2000, $39.99), smut historian Mark Rotenberg draws from his collection of more than 95,000 pieces of antique porn to prove that a bustle never kept a girl off her back. The book contains more than 500 pages of orgies, pissing, carnal acrobatics and unlikely insertions—the bread and butter of modern men's magazines.

It's comforting to know that perversion isn't exclusive to any era. Today's hard-core may boast more color and less pubic hair, but Rotenberg's raunch holds its own—and so will the reader.

Forbidden Erotica: The Rotenberg Collection, Volume II is widely distributed. If the title is unavailable in your area, most online booksellers carry it.



Something old, something blue: Forbidden Erotica's XXX-cavations.



Dr. Shulamith Finkelstein helped Jewish housewives cope with the sexual mores of the '70s. Her book, *The Oy of Sex*, gave Semitic girls the courage to proclaim, "I am a self-aware, sensual being with a headache; get off me."

1999 *Guinness* world record as the "Most Downloaded Woman on the Internet" has been successfully challenged by the hard numbers of fellow media-savvy Web tart Danni Ashe. Margolis's most alarming claim, that she refuses to pose nude, turns out to be as sturdy as a whore's hymen: HUSTLER has learned that long, long ago, when the ambitious Valley girl came of age, she bared the unretouched body you see here.

The millions of Web mooks taunted by Cindy's false modesty have a right to feel burned. For all her protestations of "a thousand times, no!", the cybercharlatan's floppy friends have apparently been on the bargaining table for almost half her life. At least Danni, the winning pussy in the most-downloads catfight, remains openly nude.

The honest Internet queen, Danni Ashe. Note judicious display of snatch.

Hey, Cindy! Here they are, unholstered, in a national magazine. Now, was that so bad?

WOMB RAIDER

ADVENTURES OF LARA'S CLEFT

Openly bisexual Angelina Jolie has been fingered to portray video-game action snatch Lara Croft in the upcoming *Tomb Raider* movie. HUSTLER hopes the sultry young star's professed taste for tuna influences the plot, turning the basketball-knockered Playstation character into a bi-amorous adventuress. If *Tomb Raider* lives up to its clam-slapping potential, this film could produce a gob in 60 seconds.

Fuck Tomb Raider; give us a thumb rider.

Dumb cunt plus oil well equals greasy, dumb cunt.

PARODY. NOT TO BE TAKEN SERIOUSLY. CELEBRITY FATHEAD STRIPPED ONTO OUR MODEL'S BODY. THE ENTIRE EDITORIAL STAFF OF HUSTLER, MALE AND FEMALE ALIKE, WOULD LIKE TO BE THE FIRST TO OFFER ANNA NICOLE SMITH A PROPOSAL OF MARRIAGE.

Overinflated fuck doll Anna Nicole Smith was awarded nearly half a billion dollars in the court battle over her late husband's fortune. If the judge's ruling survives the howling of Anna Nicole's in-laws, the buttery cracker will have amassed the biggest white-trash fortune since Jed Clampett's. Just how much money are we talking about?

Mashed Potatoes

The blond Bubbess can fill 22,500 '72 Plymouth Dusters with mashed potatoes and gravy—two every weekday until 2031.

Chicken

Assuming Anna lives another 50 years, she can afford seven 12-piece buckets of chicken every five minutes—20,160 pieces per day—for the rest of her life.

Beer

If she chooses, Miss Smith can down a case of Pabst every waking minute for the rest of her life—and so can her children, to the fourth generation.

Pussy

The XXL-sweater girl can keep two $500-an-hour whores licking her hefty cleft around the clock from now until she's 85.

HUSTLER recommends that Anna Nicole budget her windfall wisely, to ease her golden years. For instance, if the meaty widow can cut back to just 10,000 pieces of chicken a day, the money saved will buy a new trailer park every week.

Feedback

Jackin' Diane

I would love to do the dirty rumba dance with Diane (Diane's Rude Ass, Holiday 2000 HUSTLER). I'd also like to fulfill the fantasies of Lynette and Genesis from the same issue's Beaver Hunt. Hell, I've got a hard-on for every chick in the latest issue; it's the best one yet. —J. M.

Wildomar, California

Canned Response

Being incarcerated makes the flow of HUSTLER really slow. I just got my hands on the August 1996 issue. Better late than never, huh? In my opinion, the "ice queen" Tatyana (Tatyana and Diane: Bottom Feeders) is the ultimate HUSTLER goddess. I can find no flaws with her gorgeous figure whatsoever. It is an extreme pleasure to see natural beauty in this age of silicone and liposuction. Did I miss her in any recent issues? —J. C.

South Windham, Maine

Sadly, Tatyana's time with us was brief. More shots from the photo session that inspired your letter can be found in HUSTLER FANTASIES (December 1996). The blonde also makes a brief appearance in HUSTLER EROTIC VIDEO GUIDE (October 1995). Call (323) 651-2348 to order back issues, or write to HUSTLER Subscriptions, P.O. Box 15928, Beverly Hills, CA 90209-9972.

Operation Desert Spank

I'm a soldier deployed in Sinai, Egypt, and have been a longtime fan of your magazine. My kinky girlfriend back in the States sent me the November and December 2000 issues of HUSTLER. Me and my fellow soldiers think that your magazine is the shit. I agree with R. F. ("Cox in HUSTLER?", Feedback, December 2000). I'd love to see Nikki Cox spread-eagle in a future issue. Thanks to the staff of HUSTLER for all the great work. Keep it coming. —C. D.

Beaver Hints

Every month, my husband receives HUSTLER. I love to read each issue with him, especially the Hot Letters section. My question is, what in particular do you look for when you choose girls for Beaver Hunt? I'm supercurious. Keep up the good work.

—A. S.

via Internet

The first thing we look for is beaver, of course. Every once in a while a no-pink bush shot will make the cut, but we prefer to see legs spread and lips bared in the grand HUSTLER tradition. Attitude is also important; bored looks and frowns are a real turn-off. You pick the vibe, be it slutty, coy or downright nasty. If the girl can communicate to us using both her face and her twat, we're much more likely to pick her photo. We look forward to your submission.

Back to the Folds

I am writing to thank you for your one-of-a-kind publication. For a while I was sidetracked by your competitors, Playboy and Penthouse, but one day I came to my senses and threw them all away. They don't know my desires and tastes. What these other magazines don't understand is that not everybody lives the Lifestyles of the Rich and Famous fantasy. The last things I want in a porn mag are blow-up Barbie dolls, stuck-up rich bitches and pretty-boy wanna-bes who think they look good in fancy-ass cars and tuxedos. I never had a silver spoon in my ass, and I know that money doesn't make the man. After a long journey, I'm coming back to HUSTLER. Thank you for maintaining a one-to-one relationship with your readers. It's great to have a men's magazine that doesn't make me feel like a left-out, dumbass lowlife. Thanks again for understanding me and for creating such a magnificent magazine. —B. W.

Pornographic Memory

Are you guys running out of new material? In the August 2000 HUSTLER you showed a shot of an up-the-dress snatch ("Cunt and Paste," Bits & Pieces). That's the same girl you had in August 1994 (HUSTLER Gets Happy: A Guide to What's Good). It took awhile to find the original source, but I knew it was the same one.

—R. O.

Norton Shores, Michigan

You're absolutely correct, R. O. We used the same striking up-skirt shot in two issues. We're not sure whether to be impressed or frightened by your intimate knowledge of America's Magazine.

Fuzzy Muff

I just received the January 2001 issue of HUSTLER. I couldn't help but notice how fuzzy all the pictures seemed to be. Even the Beaver Hunt shots looked blurrier than usual. I've noticed in the past few issues that some of the pictorials don't look as clear as they used to. With your new format change, did you try a different method of reproducing photographs? I'm quite sure that your photographers aren't so lazy as to disregard the focus. If there's been a change, I recommend going back to the old method. Thanks for your time and patience.

This calls for a full-on investigation. We'll check every lens, negative and computer file to make sure our twat-shots are up to par. Meanwhile, check with your doctor to make sure your vision is hunky-dory and Parkinson's disease (or sexual excitement) isn't causing your hands to tremble when you read HUSTLER.

HUSTLER M.D.

As a doctor, I can't tell you how much I appreciate HUSTLER's no-bullshit attitude. The recent HMO cartoon depicting two insurance suits telling an old man, "We aren't paying for your treatment, because we don't have to if we don't want to" (Holiday 2000 HUSTLER) said it all. I still give out the article on HMOs you did a couple of years ago (MediCash: How HMOs Milk Big Bucks From Our Broken Bones, February 1997). Those big insurance companies don't give a shit about the people they're supposed to be covering. When I want my patients to know the truth, I send them to HUSTLER. Keep it up.

I'm a disabled World War II veteran. Thank heaven, I'm not disabled in the area that matters most. You see, as I slid into my sunset years, I was afflicted with erectile dysfunction, but along came the wonder drug, Viagra. Like a jump start to a dead car battery, the medication worked miracles on my cock. For the past three years my darling wife and I have been having great sex at least once a week. That's not too shabby for a 70-year-old. I've been reading HUSTLER since the beginning and particularly enjoy the sage advice and racial open-mindedness that Jeanna Fine dispenses in her Dear Slut column. As Rudyard Kipling said, "But the things you will learn from the yellow an' brown, they'll 'elp you a lot with the white!" Keep up the inspirational work.

"Watching myself suck cock makes me feel like a star," *gushes Amie between slobbers on a fat boner.*

"The sight of a prick slipping in and out of my pussy is almost as good as the actual feeling of penetration.

"I can watch my cunt all day. I'll lie in front of a mirror, and there's my snatch taking in boys, toys and girlfriends.

"I wish the gorgeous Jaclyn Smith would take you up on your 'Million Dollar Muff' offer so I could see her posed HUSTLER-style."

(continued from page 18)

Angel Lust

I enjoy your magazine and would like to see more space devoted to celebrity fantasies. My dream actress is Jaclyn Smith from the television show Charlie's Angels. I often imagine pulling down her sexy panties, then licking and fucking the heavenly babe's hairy, gooey pussy. I wish the gorgeous Smith would take you up on your "Million Dollar Muff" offer so I could see her posed HUSTLER-style—bent over and spreading her ass cheeks so everyone can see her hairy cunt from behind. —E. R.
Miami, Florida

We agree, E. R. Back in the day, Jaclyn's shampoo commercials single-handedly convinced the Editorial staff to switch from Head and Shoulders to Breck, dandruff be damned. Speaking of Angels, wouldn't Barrymore, Diaz and Liu make a killer threeway?

Film Fan

Dear Mr. Flynt: I felt compelled to send you a note after seeing your film biography, The People vs. Larry Flynt. I had no idea how much you contributed in the fight for free speech. From your imprisonment to your attack at the hands of a crazed gunman, you've really been through hell. What really motivated me to send this note was the love you were able to give Althea. Honest political leadership may be rare, but the ability to give unconditional love is the rarest gift of all. I have never experienced such love in my life, but now that I know your story, I have faith that it exists. Thank you for all you have given throughout your life. —M. P.

Spring Reaming

I feel so frisky come springtime. The fresh wind drifts over my zipper and instantly hardens my prick. Women shed their sweaters and slacks in favor of skin-revealing tank tops and miniskirts. I perch on my screened-in porch watching the babes drift by, cuffing my cock until I blow a wad on the copy of *Cosmopolitan* I clutch to conceal my hard-on. My voyeuristic wank sessions are a bundle of fun, but a man craves real pussy on occasion. My need to dip my dick in a warm, wet woman led my leering eyes to my beautiful new neighbor, Cassidy.

Cassidy is like a rare violet. Her hair is black and long, her legs interminable. Her tits float, petite and ripe, on her lean, soft torso. I became obsessed with the tight-bodied ginch as soon as she moved in last month. She can't be a day over 20. I heard her mirthful, bell-like laughter, and my nuts tightened with longing. She wore blue jeans and a snug, long-sleeved T-shirt of a rich purple hue that complemented her milky skin. I scowled at the cocksure jock carrying the beauty's boxes and chairs into the house. *That meaty son of a bitch,* I seethed. *I bet he's a limp dick with all the steroids he shoots.*

Thank heaven that dumbfuck football guy doesn't live with Cassidy; I'd have to kill the bastard. The joker just visits occasionally. I've watched them have sex a few times. I want to bust in there and crack that monkey's skull, but instead I peek through my mini-blinds and yank my rod. Cassidy's ass is so creamy. Sometimes she lets that creep stick his measly dink in her pooper. Her mouth gapes open, and her head sways as if she's in a trance. I ogle her little titties wobbling and quaking until my pecker spits up. Then I watch while Mr. Linebacker spills his sauce on Cassidy's delicate face. He doesn't give a shit if she comes or not. Makes me sick.

Cassidy has a little white dog; so I bought a bag of really expensive biscuits for the pooch. Cassidy would surely melt when her new neighbor knocked on the door with an armful of puppy treats. My hands were shaking when I rang the bell. Cassidy answered wearing a bathrobe.

"Hello," I stuttered. "I'm Drake, your neighbor. I thought your pup would enjoy these."

I waved the crinkly bag of snacks at Cassidy and grinned. She smiled politely and accepted the gift.

"Thank you," she said, her voice sweet and girlish. "Darling will love them."

"Okay then," I laughed awkwardly through my nose.

"All right, Drake. It was nice to meet you," Cassidy gracefully extended her hand toward me. I took it in my sweaty mitt and squeezed.

"What's your name?" I asked (even though I knew from peeking in her mailbox) while clutching her hand desperately.

"It's Cassidy," she replied, pulling back. "Thank you so much again, Drake. Now I really should get dressed for work."

I couldn't let go of those exquisite fingers. My head felt heavy; my heart pounded.

"You don't need to put on clothes," I blurted. "Why don't you take off your robe instead and let me see your gorgeous body?"

Cassidy's face blanched. She wrenched her hand from mine and slammed the door in my face. I stood staring at her peephole for a long time, my head reeling. Apparently, I'd have to find another, less direct way to win her heart.

That night, Cassidy's boyfriend visited again. I wondered *(continued on page 45)*

There's no such thing as safe sex when you're fucking Vikings and lepers.

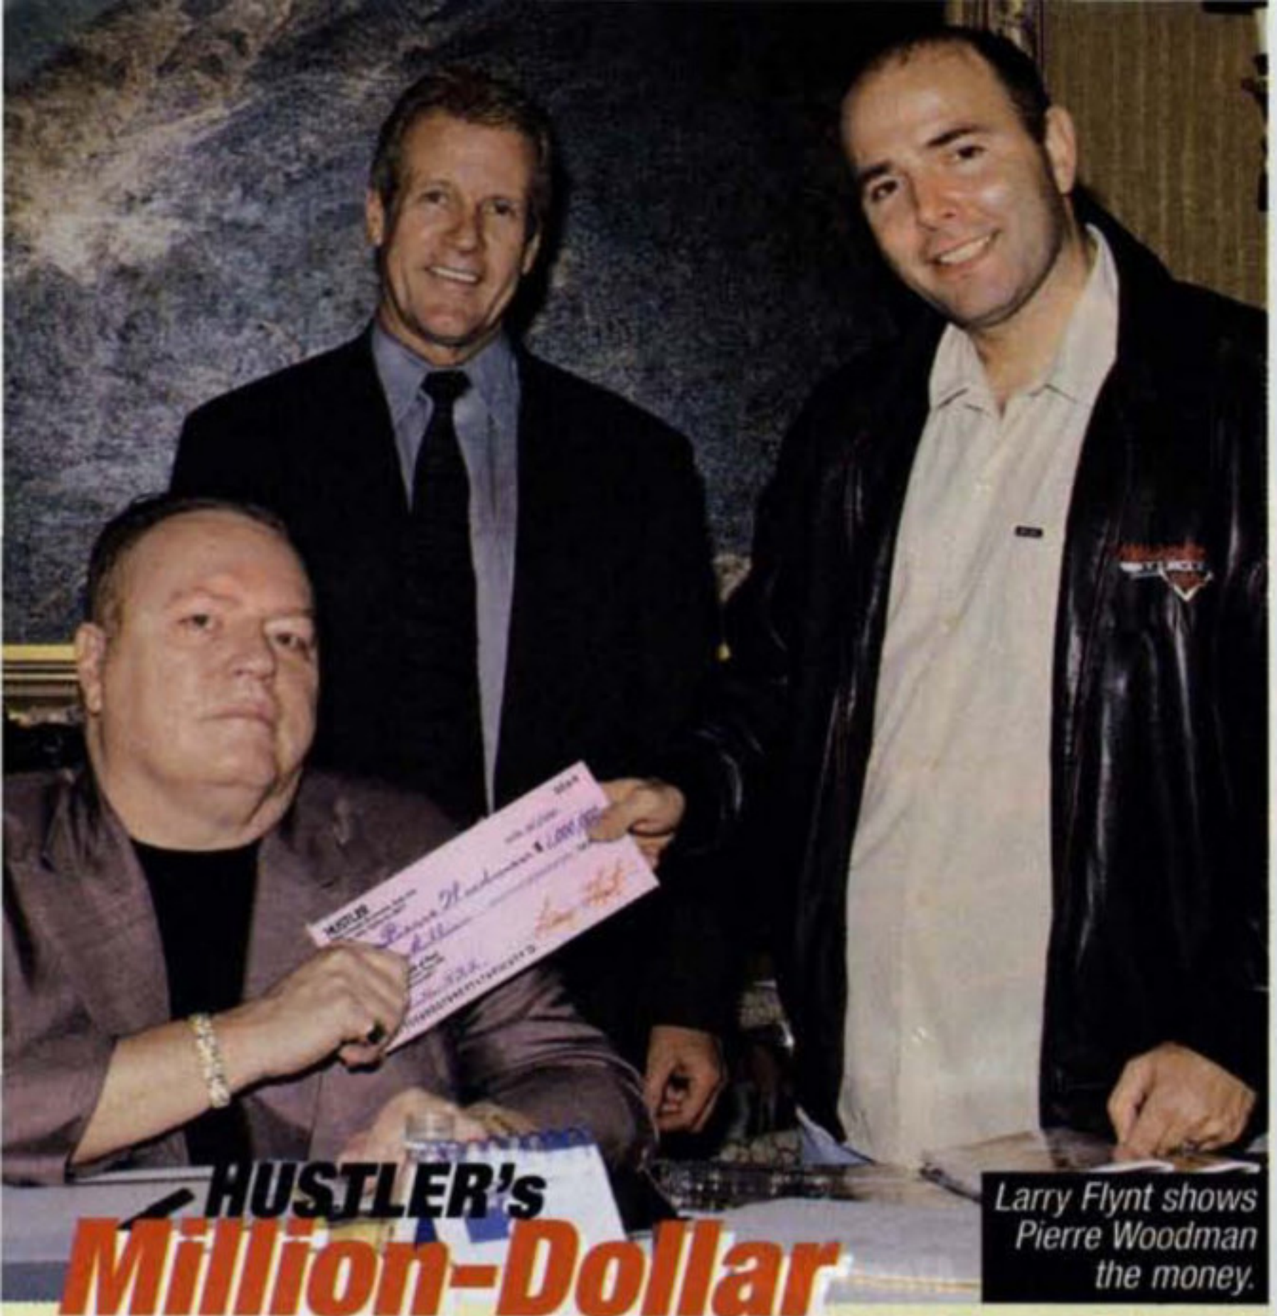
The correct answer, of course, is "keep the tip."

In the Days of Whore

Directed by Thomas Zupko.
Starring Krysti Myst, Taylor St. Claire, Brigette Kerkove, Monica, Susan Storm, Anthony Crane, Brian Surewood, Rod Fontana, Mickey G., Tice Bune, Brick Majors, Mr. Pete, Brandon Iron, Arnold Schwartzenpecker, Mark Woods, Gino Greco, Trevor, Valentino, Dick Nasty and John Strong.
Videocassette: Extreme Associates.

Rife with blasphemy, gang rape and murder, *In the Days of Whore* takes XXX to another, much lower, level. Several inspired scenes display flashes of genius, such as Brigette Kerkove's anal reaming at the hands of decaying lepers (set to the wistful tones of Beethoven's *Moonlight Sonata*) and Krysti Myst's video-ending, mostly anal, gang-bang, which culminates in multiple facials, a piss bath for Myst and a slit throat. This flick boasts a creative storyline (a debauched leper king acts out his sexual aggression while in exile), but all the urine, blood play, rape and dismembered sexual organs serve as mere garnish to the video's main course—it's balls-out performances by the likes of Monica, who fucks herself with a butter churn, that make *In the Days of Whore* legendary. ***—Nicholas Veridian***

Monica butters herself up.



Larry Flynt shows Pierre Woodman the money.

HUSTLER's Million-Dollar Videos

Larry Flynt Ups the XXX Ante

In a move to position HUSTLER as a major player in XXX video, Larry Flynt has signed Pierre Woodman for a four-picture, million-dollar deal. The agreement is in addition to the work the European smut director does for the hard-core series HUSTLER XXX. James Baes, Executive Producer of HUSTLER's new Platinum Adult Film line, says that the Woodman-helmed features will be "Hollywood-style productions, but we'll still keep the exotic locales and the hot, wild sex for which Woodman is world famous. Each movie will have much more sex than the standard five scenes most companies are content to give their audiences."

Another coup is HUSTLER's forthcoming effort featuring Snoop Doggy Dogg. In *Doggy Style*, the rapper will host and handpick the female talent. "This shit ain't for under 18," says Snoop of the rhythm-and-cooze video. "Instead of us doing a scene where the bitches show they titties and probably another bitch eating her pussy, we actually showing everything, complete sex all the way through the movie. It's a real-deal situation." The screwing will be intercut, of course, with musical interludes featuring Snoop himself.

Building on the foundation laid by its new rap/raunch video, HUSTLER plans to develop an entire music-related porn line. The Kris Kramski-directed *Porno Vision*, a series of over-the-top, hard-core vignettes set to a bumping electronic soundtrack, is slated for imminent release, while negotiations are under way with ghoulish rocker Glen Danzig to bring the former Misfit's morbid vision to the XXX screen via his *Verotika* comic-book character Grub Girl.

Continued installments of Clive McLean's hit BARELY LEGAL series and new editions of Frank Thring's *Mr. Beaver* sex romps will serve as a sturdy backbone for the ever-growing HUSTLER Video empire.

Doggy Style: *Snoop chillin' with the 'hos.*

Doggy Style: *Hip-hop and XXX meet like never before.*

Red Vibe Diaries #3: *Stacy's a nibbler.*

Ooze: *Hoosegow cooze.*

Sopornos 2: *"Tell 'em 'Herschel Savage sleeps with De'Nyle.'"*

Don't Watch This Movie: *Anastasia assumes the position.*

Ooze

Directed by Jim Steel.
Starring Jeanna Fine, Ava Vincent, Chloe, Tina Tyler, Sharon Kane, Nina Hartley, Lola, Shayla LaVeaux, Nikki Fairchild, Angelina De Carlo, Rene LaRue, Chenin Blanc, Alexis Amore, Daisy Chain and Maya Devine.
Videocassette: Odyssey Group Video.

Like its cable counterpart, *Ooze* is a jailhouse drama in which plenty of cellmate buggering occurs. Unlike *Oz* (the HBO series on which this video is loosely based), this flick is heavy on estrogen, making the same-sex fucking tolerable. Nina Hartley's partner, Shayla LaVeaux, pays a visit to the pen bearing a knapsack full of contraband dildos. Hartley plugs Shayla's sphincters with a huge, black probe, while the busty ginch plows herself with an auxiliary latex schlong. HUSTLER columnist Jeanna Fine turns in a brash performance as a seen-it-all murderer who corners prison guard Lola and crams a dildo down her throat. Later, Jeanna chokes Chloe during a shower orgy. Ava Vincent proves to be the flick's best scenery. Vincent's scene with her stoolie cellmate, Sharon Kane, is both hot and oddly realistic. By pitting age against beauty, *Ooze* delivers both pussy and pathos. ***—N. V.***

Red Vibe Diaries #3

Directed by James Avalon.
Starring Stacy Valentine, Gwen Summers, Mirage, Ginger Paige, Lola, Paige Sinclair, Evan Stone, Joel Lawrence, Randy Spears, Eric Everhard, Brick Majors, Brian Surewood and Ian Daniels.
Videocassette: Metro Inc.

Red Vibe Diaries #3 showcases the rod-riding expertise of starlet Gwen Summers. Stacy Valentine is blackmailed by Evan Stone, an asshole lawyer with a boner for Gwen. Valentine's only recourse is to recruit Summers into a life of rich-bitch debauchery. The tiny-titted redhead finally succumbs, sucking Stone's tool until his ball batter drools down her chin. Gwen then turns to Brian Surewood and Ian Daniels for a raunchy orgy, bringing gal pal Ginger Paige along for the ride. Just as the fuck party ends, her angry husband, Randy Spears, storms in. Quick as a flash, the highbrow sex addict spreads her pink curtains and welcomes her hubby home. Masterful camerawork and narrative under the direction of James Avalon tie every sex scene together with a deftness that's almost too good for porn. *Red Vibe Diaries #3* is one for the books. ***—N. V.***

Sopornos 2

Directed by James DiGiorgio.
Starring Jewel De'Nyle, Kendra Jade, Brigette Kerkove, Heather Lynn, Samantha, Lola, Juliet Sheridon, Alec Metro, Joey Ray, Tice Bune, Adam Wilde, Herschel Savage, Tony Tedeschi and William Margold.
Videocassette: VCA Pictures.

Looking like a debauched Yasmine Bleeth, Jewel De'Nyle fucks and sucks her way through the clunky mafioso XXX flick *Sopornos 2*. As the manager of Bada Boom, Bobby Soporno's strip club, De'Nyle and her female friends stand out as meager muff floating in a masculine sea of sausage. Much of this picture is dedicated to ripping off classic gangster films, which is as entertaining as watching a gang of computer geeks recite Monty Python lines. De'Nyle's scenes hit the viewer like a breath of fresh cooze, particularly when the moll is tag-teamed by a couple of thugs who plug both of Jewel's dripping love ports. Lola ruts with Tony Tedeschi for the flick's only other outstanding scene. The wiry ginch mounts Tony's prong and rides, then paints her face with his nut butter. The rest of *Sopornos 2*? *Fuggedaboutit.* ***—N. V.***

Don't Watch This Movie

Directed by uncredited.
Starring Krysti Myst, Bridgette Powerz, Susan Storm, Anastasia Blue, Kno Malone and Tom Byron.
Videocassette: Armageddon Entertainment.

Don't Watch This Movie is an appropriate title for this collection of XXX leftovers, though a few passable scenes are worth mentioning. Pallid-skinned harlot Anastasia Blue is viciously impaled by Tom Byron's schlong, gags on the prick and furrows her brow as the tube steak pounds her poop chute. Later, Krysti Myst is cast as a nun who is raped by a gang of crackheads. The rock-smoking hard-ons force the daughter of God to gobble their stems, then bend the bitch over and plow her virgin ass. Admittedly, Myst, with her tattoos, oversized fun bags and a penchant for going pantiless under her vestments, isn't very believable as a woman married to the Lord, but watching the cloister-dweller-gone-bad clutch her crucifix as three porn studs empty their balls on her face makes *Don't Watch This Movie* sacrilicious fun. ***—N. V.***

American Bukkake #10: *Open up and say "eww."*

Lick My Legs: *Close enough, Silvia.*

American Bukkake #10

Directed by Jim Powers.
Starring Mocha, Trinity Max, Kyla Swallows and a heaving mass of seed-spraying *bukkake* devotees.
Videocassette: J.M. Productions.

Visions of the coming apocalypse pale next to the skillfully executed blasphemy captured in *American Bukkake #10.* Inaugural tramp Trinity Max diddles herself on a mattress wrapped in garbage bags. Semen squirters sit patiently until given the signal. Within minutes, the slender, blond slut is blanketed by a cocoon of spuzz. Her features disappear behind a thick coat of seed that drips into the funnel she blindly cradles under her chin. Once the final participant has drained his goo onto the shameless screen whore, she toasts the occasion by dripping the collective protein into her grimacing maw. Chocolate-skinned Mocha repeats the feat without the funnel, and snaggle-toothed Kyla Swallows has her orthodontic troubles buried beneath a deluge of pecker paste. The folks at J.M. are clearly *bukkake* experts, but that doesn't make the room full of spuzz-churning, naked guys in *American Bukkake #10* any less of a boner killer. ***—Clive Thurstwood***

Lick My Legs

Directed by Randy Spears.
Starring Silvia Saint, Alexandra Nice, Monique DeMoan, Shay Sweet, Ryan Conner, Kat Langer, Envy, Randy Spears, Jon Dough, Eric Price and Dale D'Bone.
Videocassette: Elegant Angel.

Directing and starring in this tale of a ped-obsessed loser, Randy Spears gathers an outstanding collection of quim, making *Lick My Legs* superb spank fodder for foot fetishists and laymen alike. Through sexual flashbacks recounted to his sultry shrink, Envy, Spears presents sausage-stiffening routings of prime porn cooze. Spears shrimps Alexandra Nice's stockinged toes before drilling her delicately coiffed snatch. Ryan Conner provides a load-blowing display of pink when she stuffs every inch of Dale D'Bone into her eager trench. Few contemporary screen sluts display the energy and enthusiasm that effortlessly gushes out of Conner. Contributions from Shay Sweet and Silvia Saint also earn fist-pumping praise. Only a disappointingly brief cameo from Envy keeps *Lick My Legs* from registering a full swell in viewers' blood bones. ***—C. T.***

Whoriental Sex Academy

Directed by Alex Ladd.
Starring Kamiko, Bamboo, Jade Marcela, Mikio Lee, Tice Bune, Cheyne Collins, Gino Greco, John Strong and Guy DiSilva.
Videocassette: Sinister.

Alex Ladd's *Whoriental Sex Academy* is a mixed bouquet of lovely Asian flowers. Kamiko is the hot new tramp on campus. Willing as she is to gurgle on the mottled schwang of Dean of Admissions Tice Bune, the yellow-skinned trollop is all but absent from the twat pounding she receives. Grimacing, groaning and staring into space, Kamiko acts like she just wants her "five dollar" for the scene. When the spanker's illusion is shattered, little can be done to reassemble it, and little effort is made to do so by the video's remaining dragon ladies. Petite and surly, Jade glares silently into the camera as her cooch and shitpipe are crammed with a throbbing bamboo shoot. Mikio Lee heats up a sweaty threesome with John Strong and morbidly obese Guy DiSilva, but Mikio's "A for effort" only puts the other girls at the *Whoriental Sex Academy* behind the curve. ***—C. T.***

Double Midgetation

Directed by Jerome Tanner.
Starring Bridgette Powerz, Gwen Summers, Heather Lynn, Envy Mi, Taylor St. Claire, Chris Cannon, Dillion Day, Joel Lawrence, Dave Hardman, Mickey G., Jason McCain and Drift Wood.
Videocassette: Legend Video.

Fans of pint-size sexual dynamo Bridgette Powerz will double their pleasure with the gleefully idiotic *Double Midgetation.* Bridgette flexes her pussy and her acting chops, playing a pair of sex-powered aliens who crash-land on Earth. Wearing a silver costume that makes her look like a pan of Jiffy-Pop, Bridgette fascinates earthlings with her constant need to masturbate, suck cock and fuck. Evil scientist Dave Hardman tries to enslave one of the Bridgettes for his fiendish sexual experiments, and the diminutive tramp pounces on his shaft like the face-hugger from *Alien.* Bridgette's undeniably pretty visage and craving for dick establish her as the biggest little person in smut, but her size makes it look as if Hardman's ravishing a hand puppet. Ultimately, the violations in *Double Midgetation* are too out of this world for the earthly stroking masses. ***—C. T.***

Jeckyll & Hyde: *Taylor sucks; the DVD doesn't.*

High-End Smut

DVDs to Lust After

For those of us living in the 21st century, one thing is fairly certain—the VHS video format will likely go the way of the dinosaur. Today, the compact, durable DVD format is quickly becoming the hot shit. With 13 million players currently on the market, this new medium is selling like gangbusters (Playstation 2, a Sony video-game console that also plays DVD movies, has single-handedly added one million units to this total since its launch last October). Rapidly dropping retail cost for both players and software will only further expedite the VHS-to-DVD transition.

For those who have recently gone digital and are anxious to build a high-tech library of raunch, the *Erotic Entertainment* staff offers some XXX recommendations to maximize your hands-on private time with your new toy.

The Obvious

We may be paid to blow our own horns, but you can't go wrong with the HUSTLER XXX and BARELY LEGAL series. Crammed with ultrahot girls and high-quality production, these titles are a no-brainer purchase. HUSTLER video fave *The World's Luckiest Patient* (Vivid) retains its Fully Erect rating in DVD form by delivering a cast of 101 cock-hungry nurses. Those looking for more extreme kicks, such as choking and fisting, will enjoy Elegant Angel's digitized version of *Chloe's "I Came, Did You?!!"* Well-known classics from VCA Interactive (*Deep Throat*, *Cafe Flesh*, *New Wave Hookers*, among others) and NuTech Digital (e.g., *Debbie Does Dallas*) are also must-haves for horny technophiles.

Flashpoint: *Smokin' digital smut.*

The Not-So-Obvious

Because studios are cranking out titles faster than ever, many modern classics fall through the cracks. Jenna Jameson's second-to-last feature, *Flashpoint* (Wicked), is a great, big-budget production in which the busty superstar delivers several sizzling boy/girl scenes. The True Multi Angle capability and amazing cast (Bonita Saint, Rebecca Lord and Sadie Sexton) of *All Star* (Digital Playground) make this immensely interactive title worth buying. Fans of '80s porn babes such as Madison should check out *The Mistress 2* (NuTech Digital), if only for her 20-minute marathon fuck scene. Vivid's most underappreciated contract girl, Taylor Hayes, delivers nut-busting performances in both *Jekyll & Hyde* and *Dangerous*.

Double Midgetation: *"No, I don't know Ray Bolger. Why do you ask?"*

Whoriental Sex Academy: *No wonder Asians are better students.*

Naughty Teenage Lesbians: *Fairly legal lesbos Layla and Dominica.*

Diary of Desire: *Shelby Myne deserves her own chapter.*

Gen Sex: *Inari slacks, Swift slurps.*

Naughty Teenage Lesbians

Directed by Dow Jones.
Starring Dominica Leoni, Fawnna, Gauge, Samantha, Layla Jade, Julia Schaffer, Kaylynn and Alexxxis Tyler.
Videocassette: X-Traordinary Pictures.

A sad quartet of girl-girl scenes make up the grim *Naughty Teenage Lesbians.* Usually dependable gashes Layla Jade and Dominica Leoni have the dubious honor of initiating the proceedings. A green dildo is the center of the action as Layla and Dominica indifferently mark time gouging each other's holes until the scene fades to black. In the subsequent couplings, impressive sex toys are underused while nightmare-inducing skanks such as Gauge showcase their dead-eyed stares and listlessly probe the ragged snatches of their companions. Coming across more like a health-class film on the ravages of fetal alcohol syndrome than a teen-queen spank flick, *Naughty Teenage Lesbians* is a miserable attempt to dupe viewers out of their weekly allowances. ***—C. T.***

Diary of Desire

Directed by Jim Enright.
Starring Cassidy, Monique DeMoan, Shelby Myne, Tasha Hunter, Devon, Ian Daniels, Mark Davis, Billy Glide and Randy Spears.
Videocassette: Vivid Video.

Lithe, raven-haired spunk-pot Cassidy makes an impressive debut in *Diary of Desire.* As Vivid's latest contract girl, this promising cooze seems more tolerant of than eager for blue-screen violation. Nevertheless, she admirably handles the crooked choad of trollish Ian Daniels and vocally submits to a rudely dripping prison threesome with Billy Glide and Shelby Myne. Cassidy's soft, natural curves may be the star attraction of this spank reel, but the crotch-swelling work of seasoned pros such as Monique DeMoan and Myne sets this Vivid production apart from the porn giant's usual, routine fuckathons. Monique gobbles down Mark Davis's turgid meat as if it were nothing more than a Vienna sausage. Shelby's smoldering contributions also make *Diary of Desire* a memorable entry in the porn log. ***—C. T.***

Gen Sex

Directed by Bob Chinn.
Starring Stephanie Swift, Inari Vachs, Sydnee Steele, Regan Starr, Tina Cheri, Randy Spears, Mike Horner, Dale D'Bone, Michael J. Cox and Mark Davis.
Videocassette: Wicked Pictures.

Like an Afterschool Special, *Gen Sex* handles its subject, the female orgasm, with kid gloves and the theatrical acumen of a community playhouse. Super-ginch Inari Vachs is along for the ride, saving this tame meditation on relationships, satisfaction and love from being a total wash. The momentum Vachs provides in her video-opening, energetic desktop screw with Michael J. Cox sustains the entire film. The dirty-blond harlot devours Michael's bone, slobber cascading down her chin as she takes in the tool. The shrimpy swordsman mounts and porks Inari, but his insignificant tool's attempt to rout Vachs's glorious twat is akin to throwing a hot dog down a hallway. It's a long wait until the final scene, when Inari and Stephanie Swift meet for an inspiring session of rug-munching. All else in *Gen Sex* is mere filler. ***—N. V.***

Hot Letters

Cassidy yowled as her boyfriend continued to ream her gentle butt. My overwrought pud spewed a hefty wad of semen across my pants.

(continued from page 35) if she would tell him about me. I crouched in my bedroom and peered. It didn't look like they were having any serious discussions. He watched TV for a long time; I didn't even see Cassidy. Eventually she emerged, clutching Darling in her arms. Her ugly lover man directed the little rat to its doggy bed, then commenced kneading Cassidy's dainty boobies. My lonely schlong stirred as Cassidy's camisole drifted to her waist, her silky nubbins glowing in the lamplight. Numbskull slurped her soft apricots into his rough mouth; my forehead pulsed with jealousy. His clublike hands tugged her pajama pants to her ankles. I gasped softly and clutched my growing crotch as Cassidy spread her bald split peach. The inside of her cunny was pink and shiny, like a polished stone. Her clit was hard and glistening with girl goo. Cassidy's boyfriend didn't kneel and lick her wet twat like I would; instead he jabbed his calloused fingers in her tight hole and chewed her nipples like a baby monster at the tit. Like an automated love doll, Cassidy bent over an E-Z chair and offered the ruffian her splendid backside. My cock throbbed so painfully I feared I'd trigger a migraine. I tugged my tool desperately to ease the pressure.

The caveman unceremoniously speared Cassidy's pink, puckered asshole. Her eyes bulged; she clutched the armrests of the recliner with white knuckles. I could faintly hear the *thud* of manly man's chunky crotch banging against her resplendent tush.

"You hideous fucking cad," I hissed, my schwang quaking in my furious palm. "Can't you see she doesn't like the way you're banging her?"

I was enraged, yet my overwrought pud spewed a hefty wad of semen across my pants. I sprang to my feet. Cassidy grimaced and yowled as her boyfriend continued to ream her gentle butt. Her mouth formed a gaping "O"; her complexion deepened. A warbling, muffled moan reverberated in my ears. Cassidy was coming. Seeing red, I sprinted outside and threw my weight against the bare window that separated me from the rutting couple. The two made confused, frightened noises; the burly man popped from Cassidy's socket and charged toward the glass. I stood cursing, shaking my cum-coated fists. My eyes stung as I watched Cassidy scramble out of view, her small hands struggling to cover the best parts of her luminous figure.

They called the cops to take me away, but there wasn't much the police could do to me. I claimed to be a neighbor upset by the noise. They released me the next day. Upon my return home, Cassidy and her fucker were packing. When she carried a plant onto the porch and spotted me, she flinched like an abused animal. I'd driven her away. I'd done it all wrong.

To hell with her. I am a resilient guy. A lovely girl named Cindy moved in after Cassidy left, and she doesn't appear to have a boyfriend. I'll win Cindy over. She just needs to give me a chance. —D. F.

All-Girl Grudge Fuck

When I caught my former boyfriend Ace Carter with his dick in our landlady's skaggy-ass piehole, that was it. I was through with men forever. "*Go brag to your friends, Ace,*" I bellowed as I hurled his B.O.-laden clothes and sports memorabilia out the apartment window. "*You have successfully turned me into a lesbian!*" I vowed that from that day forward, I would only munch rug.

The day after I kicked Ace's ass out, I skipped work and visited my dyke friend Linnette at the laundromat she runs. Linnette is a tall, mannish woman, but she's hot. Her lips are full and ruby-hued, her hair shiny like copper. I barreled into the Soap and Fold in a rage, panting like a dog.

"What happened to you?" Linnette asked, her nose wrinkling at my insane, disheveled appearance.

"I don't want to talk about it," I huffed. "Do you have any available girlfriends?"

"I beg your pardon?" Linnette cocked her head like a big bird.

"I'm a lesbian now," I explained impatiently. "Now, can you please introduce me to a nice girl?"

"Well, Miss Cock-Hungry has jumped the fence," Linnette laughed, agitating me further. "It so happens I'm throwing a birthday party for one of my employees tonight. Nothing but women will be in attendance. You should be able to take your pick."

"*Hell yes!*" I cheered, squeezing Linnette's ass to prove my newfound sexuality. "See you tonight."

When I arrived at the shindig, I was in awe. I had no idea how fucking fine Linnette's friends were. Most of them didn't even look butch. I gazed hungrily at the vast array of tits and ass. Did I

More women had stripped. Do all lesbo parties turn into orgies? I wondered, grabbing Helene's wrist and shoving her hand under my skirt.

want a blonde with big knockers to match my own busty, golden looks? Or would I prefer a dark, exotic beauty whose warm, deep skin would contrast with mine? Perhaps a perky redhead would suit my fancy. My cunt gushed cream as I considered my many options.

"Greta!" Linnette charged toward me. She embraced my head against her cushiony tits. A firm nipple poked my cheek.

"Let me introduce you to Helene," she continued, pulling my arm and leading me through the undulating ocean of hot girls. "She's such a babe, and she really wants to meet you."

Linnette steered me toward a lean, catlike brunette in leather pants. The svelte beauty's eyes roamed over my body. She smiled and extended her slender hand.

"Helene," she purred, her fingers stroking my palm and inducing a girl hard-on.

"Nice to meet you," I stammered, ogling the cameltoe in her trousers. "I'm Greta."

Helene nodded and gestured for Linnette to leave. We huddled alone in the corner; she ran her hand over my ass and smiled. Following her lead, I cupped one of her pert tits before resting my hand on her slim waist.

"Your boyfriend piss you off?" Helene asked, caressing the small of my back.

"Did Linnette tell you?" I replied.

"No. I can tell by looking at you," the pantherlike enchantress explained. "You're new at girls. I can see that you want it really bad though."

I nodded vehemently, my lips pursed in anger at the thought of that rotten Ace Carter. Helene led me to an open couch. Fine chicks danced around the room, grinding their hips against each other, some in various stages of undress. Helene pulled me onto the sofa and climbed on top of me, shoving her flickering tongue into my mouth. I squeezed her buns and dug my pelvis into hers. The saucy dyke untied her halter top and tugged my snug T-shirt up to my armpits. Her firm, hot A cups slid against my heavy udders; my nipples grew hard as pebbles. Helene's warm, wet mouth drew on one of my teats and sucked. My eyes fluttered open. More women had stripped. Many who had been dancing now writhed naked on the floor and against the wall. *Do all lesbo parties turn into orgies?* I wondered, grabbing Helene's wrist and shoving her hand under my skirt and into my sopping panties.

"Finger-fuck me," I panted in her ear. "Show me how the dykes do it."

Helene's digits slithered easily into my soaking-wet slot. My vage clutched her fingers, pulling them in deeper. I gripped a handful of the womb-tickling hottie's long, dark hair and pushed her head between my legs. Her tongue raked back and forth through my trough, flicking my clit so all my insides ached with pleasure. A buxom Negress approached, buck naked, with her hand halfway up her own chocolate flue. I grabbed a big, cocoa tit and pulled it into my mouth. Helene continued to clean my conch while a tight, little redhead crept behind her and slid Helene's pants to her ankles. Helene moaned into my quim as the auburn-tressed lassie ate her asshole. The sexy, black chick clambered onto my face, lowering her pussy onto my mouth. I tunneled my tongue into her spicy hole.

"*Goddamn*, you girls know how to fuck," I cried between slurps.

I steered the dark babe's thigh away from my eyes long enough to see that the room had dissolved into a huge, wet, slithering orgy. Soft female murmurs and moans permeated the atmosphere. Round booties bobbed in the air over eagerly lapping faces. Firm breasts of assorted sizes shimmied and bounced. A hardbodied, dykey brunette with a strap-on plowed a petite blonde from behind. The dildo-ravaged blonde, meanwhile, ate a delicate Asian girl's cunny. The bodies streamed on and on, one connected to another in a heaving mass of girl-on-girl lust. Helene's cunt kisses were growing increasingly passionate; my gulch clenched and prepared to climax.

"This is what you get, Ace," I sneered, mashing my box against Helene's nimble mouth.

I wailed and contorted as my twat exploded. The sweet soul sister on my face came too, oozing her rich honey into my gaping maw. The temperature in the room shot to boiling as orgasms washed over the sea of fevered ladies like a tidal wave.

I've never come that hard in my life. Ace keeps calling me, crying for forgiveness, but his whining pleas only make me laugh. I rub my newfound, sapphic happiness in his lame-ass face. He'll never satisfy a woman with that sorry sausage hanging *(continued on page 165)*

Dear Slut

Jeanna Fine Tells the Fucking Truth

Covet or Not

I find my friend's wife to be very sexy. She is not stunning, but over the years, she's really grown on me. For months now, I've been dying to jump her bones. My buddy screws around on her and has never been busted, though I think if I dropped the dime on him, I'd stand a pretty good chance of bagging her. I really would like to screw his woman just once to fulfill my fantasy. Can you advise? —T. C.
Beaumont, Texas

The quick and easy answer would be, go for it. What's good for the goose is good for the gander, right? The question is, will you be able to face your reflection in the mirror the next morning? Play it cool, and let nature take its course. When their relationship melts down, make sure to be on hand as the chick's rebound screw. Friendships last longer than fucks, and there may be a very good reason for your buddy seeking pussy elsewhere.

One-Track Mind

All of my thoughts revolve around sex. I would like to make love to my wife every day like I used to, but she's not into screwing anymore. I have to wake up in the middle of the night and whack off downstairs. My wife used to have multiple orgasms every time we fucked. Is my wife over sex because she's already met her orgasm quota? —D. B.
The Netherlands

Barring physical ailment and, of course, life span, the only limits to the amount of orgasms a person experiences in a lifetime are self imposed. Relationships should be treated like a career. Late hours and overtime are as necessary in the bedroom as they are in the office if you want to get ahead (or get some head). Don't forget that women respond to the romantic side of a sexual encounter. Figure out what makes your mate hot. Develop a sexual work ethic; do the research, apply the knowledge, and I guarantee there'll be some bonus nookie in it for you.

Old Softie

I'm 32 years old and a little worried about a problem I've been having. I'm in good shape and have no health problems, but when I masturbate, I notice that my erection isn't as solid as it used to be. What's going on? Is this the natural course that an aging boner takes, or is there something that I can do (barring drugs, which I generally try to avoid) to stiffen my prick? —S. O.
via Internet

You're not in the age group that traditionally experiences limp-dick syndrome. In fact, many men in this health-conscious age stay hard long into their 70s, without the help of Viagra, by maintaining a proper diet, exercising, watching caffeine intake and cutting out cigarettes (which are now being blamed for soft dicks). If you feel that all is kosher in those areas, check with the doc. If you pass your exam with flying colors, perhaps vanilla sex isn't cutting it for you anymore. Is there a little boy inside you, crying to be spanked, or a foot freak desperate for the odor of stinky stockings? There's a good chance that new, kinky fantasies and sex play can help bring out the raging stiffie that you're missing.

Chick Magnet

Before I married my husband, he wasn't very popular with the ladies. Now, when we go to the local bar, chicks are always checking him out and coming on to him. They had their chance, and they missed out. Why are these bitches suddenly fawning over my man? —C. T.
Selma, Alabama

You're experiencing one of the many catch-22s of relationships. Whenever a dude is looking for love, he can't find it, but the minute his prick parts labe, the pussy floodgates magically open. You probably know as well as I that there's something to be said for chasing after someone who's spoken for. You're most likely sensing slight interest, and letting jealousy and possessiveness blow it out of proportion. Either that, or you two are hitting the bar after sex, and pheromone-sensitive babes are becoming turned on by the scent of your love juices on his cunt-greased dick.

Dungeon Newbie

I'm a 21-year-old bisexual female. I love to be in control when it comes to having sex, but I have no idea what it takes to become a hard-core dominatrix. What do I need to know to become a real dominant bitch? —M. O.
Washington, D.C.

The first mistake many women make when they delve into the fetish underworld is to think that yelling, screaming and flailing a whip is all it takes to become a mean dom. Technique and knowledge, ranging from the art of rope-tying to deviant psychology, are vital to a

Dear Slut

"My girlfriend keeps poking her finger into my asshole at the end of blowjobs. I come really fucking hard, but I feel ashamed."

successful career in bondage and S&M. As far as attitude goes, I have always found that maintaining a low tone and control is much sexier than hollering and calling someone a pig. Visit your local S&M dungeon and find your niche. Then dress up in front of a mirror and role-play with yourself. Spend some time with the leather-clad lass in the looking glass, and you'll tap into your dark side in no time.

Anal Remorse

My girlfriend keeps poking her finger into my asshole at the end of blowjobs. I come really fucking hard, and my whole body spasms, but I feel really ashamed, and my butt feels funny for a day or so afterward. I want to complain to my woman, but her rectal probe feels so fucking good (at the time, anyway) that I can't bring myself to say anything. What should I do? Could I suffer any negative physical effects from her rectum-prodding technique? —S. J.

Perrysburg, Ohio

Why look a gift horse in the mouth, or the ass for that matter? I'm a firm believer that a man's "clit" is in his prostate. Many a protesting man will cry for more once a chick's slipped him a digit. It's certainly not unnatural or uncommon for men to experience arousal at anal penetration. Most men won't admit to it though. Like them, as long as your girlfriend's fingernails aren't making mincemeat of your colon, the only problem you have is your own guilty conscience.

Rape Fantasy?

My girlfriend and I had been growing apart, but recently she started coming on to me again, wanting rough sex. She asks me to hit her while we're fucking, then screams and struggles when I finally do. Two seconds later, she's whispering in my ear to smack her again. Everyone in my apartment building gives me weird looks now. They've probably seen my girl with a black eye or heard all of the commotion. Is my girl plotting against me to fuck up my life, and even nail me with a rape charge, or is she just fucking crazy? —W. N.

Lindenwold, New Jersey

Rape fantasies are extremely common, though in this day of political correctness people hesitate to explore the more violent side of screwing. Restrain your love pats and aim them below the neckline. With a little forethought and planning, you won't leave any bruises. As far as the neighbors are concerned, if their ears are to the wall, they should examine their own voyeuristic tendencies. Enjoy yourself, but pull those punches.

Tub Humper

I heard a story about a guy who stuck his dick in the suction pipe on the side of a hotel swimming pool. His prick swelled up and became stuck, and they had to call an ambulance. He must have been embarrassed as hell, but I bet it felt really good. My dick is pretty small and my wife is as frigid as a Nebraska winter; so I've been kicking around the idea of nailing the hot tub. Do you think this practice would be safe? —G. G.

Allentown, Pennsylvania

Possibly, but why risk becoming the subject of emergency-room legend? There are products, such as penis pumps, that work on the same principles as your backyard pool, but are much safer. I suspect that your wife's frigidity may stem from your own lack of effort (particularly if you're as underendowed as you say you are). If you still feel the need to stick your dick into something besides your spouse, I would suggest purchasing something created for that express purpose.

Sex, Retard Style

Slobbery, Stupid and Horny as Hell

by Stephen Johnson
Illustration by Christian Clayton

Once a month, the Santa Monica Senior Recreation Center, in Santa Monica, California, hosts a gathering of adults with developmental disabilities. This October, in observance of Halloween, streamers and paper jack-o'-lanterns hang from the rafters of the musty building. A deejay spins Michael Jackson's "Thriller."

Mindy and Delvan sway to the music. Mindy wears a pink rayon dress and a rhinestone tiara in her close-cropped hair; she is a head shorter than Delvan, but outweighs him by at least 40 pounds. Mindy's features—slightly crossed eyes, oversized tongue—are unmistakably those of a victim of Down's syndrome.

Delvan sports a plastic fireman's hat and his best suit, with a carnation in the lapel. The two low-IQ lovebirds gaze into each other's eyes. Delvan reaches down and gropes his date's beefy thigh. Mindy can't stop smiling; she grinds into her boyfriend's crotch and moans. They may be retarded, but Mindy and Delvan are smart enough to know they're going to be doing the nasty before the end of the night.

* * *

Retarded people (individuals with IQs below 70) are often mistakenly regarded as perpetual children, free from adult responsibilities and concerns. Although the feebleminded might have trouble tying their shoelaces, retards enjoy a good fuck, just like anyone else.

Juanita, a heavyset, developmentally disabled woman in her 40s, lives with her grandparents in Mill Park, Wisconsin. She also thinks fat chicks are hot.

"They're so pretty," Juanita says. "You can stretch them out so good. I like to feel their body all over me."

Juanita's heifer-friendly proclamation illustrates one benefit of being mentally challenged—retarded people are often free of sexual inhibitions.

"People with developmental disabilities just don't have the shame issues that other people have," says David Steinberg, a therapist, educator and sex columnist. "There's almost a divine, primitive quality to it, as if this is what sexuality is, before you socialize it to conform to certain channels.

"They'll flash people, without any sense of what's appropriate," Steinberg adds. "They'll have sex while other people watch, or have sex with two or more people at once."

"One of my clients would just masturbate anyplace—he just didn't care," affirms Glen Stanley, a vocational counselor for developmentally disabled and autistic adults in Bakersfield, California. "He'd have days where every time he'd see a woman—any woman, like an old lady on the bus or something—he'd start smiling and laughing, and he'd reach down and start rubbing himself."

Game libidos notwithstanding, randy retards often encounter a cold-shoulder mentality among those entrusted to care for them, especially in institutional settings.

"Most group homes just aren't set up for dating," says Marjory Fabrissio, a caseworker for developmentally disabled adults in Trenton, New Jersey. "Care providers are more concerned with liability than enabling folks to be with each other. They're worried about pregnancy and disease. Sometimes they're devoutly religious. They just don't want to deal with it."

Mental-health professionals may wish it were otherwise, but the retard sex drive won't go away despite a legacy of drastic attempts to eradicate it.

In the not-so-distant past, measures taken to limit the erotic expression of imbeciles and dimwits have reached extremes of antisex cruelty.

"People with developmental disabilities have a horrific history when it comes to sexuality," says David Hingsburger, a Canadian therapist, educator and lecturer who actively campaigns for the sexual rights of the mentally challenged. "We've tried everything we could to stop them from engaging in any sexual behavior, from complete sex segregation, to forced surgical sterilization to clitoridectomies and castration."

Sex Play

"People with developmental disabilities fall in love, develop emotional attachments and have sexual desires like anyone else."

Between 1907 and 1941, more than 36,000 people were involuntarily sterilized in the United States, primarily for "feeblemindedness." The procedure was common in American hospitals until the 1970s.

With the liberalization of social mores brought on by the sexual revolution, retard sex came out of the closet. By 1977, California lawmakers had passed the Lanterman Developmental Disability Services Act, which legitimized the sex lives of simpletons by obligating residential-care centers to maintain a private room where patients could be free of their caregivers' prying eyes.

"We just call it the sex room," says Richard Pursel, a night supervisor at a board-and-care facility for multihandicapped, developmentally disabled adults in Sierra Madre, California. "It's basically a small room with a hospital bed. They can go in there and have privacy. It's a privilege, like any other. As long as they remember to change the sheets when they're done, they can go to town."

Even when given a private place to get their freak on, hot and horny retards might not know quite what to do.

"A problem that comes up with the developmentally disabled is that people are not able to get masturbation skills down, cognitively, to get from point A to point B, from arousal to climax," says Marjory Fabrissio. "They really need to be shown how to do it."

The not-so-smart are finally learning how to bust a nut, thanks to a video series produced by Diverse City Press Inc. (www.diverse-city.com). *Finger Tips* features an attractive, nude nonretarded woman demonstrating how to stimulate the clitoris to orgasm, along with helpful hints, such as "only masturbate in private." The male star of *Hand Made Love* proves that the mentally handicapped are capable of sound onanistic judgement. "Some people use magazines when they masturbate," he says, while holding up an issue of HUSTLER.

Sadly, the natural joy retarded people take in sex, combined with their dumb-as-a-plank dispositions, makes them an easy mark for sexual predators.

"The developmentally disabled are three to five times more likely to be sexually victimized than any other group," says David Hingsburger. "Women with developmental disabilities have an 80% chance of being molested or raped by the time they are 18. With men, it is somewhere between 30% and 50%."

Retarded people make such bad witnesses in court that most accusations of rape and molestation are never even brought to trial. On the other hand, some cases of apparently consensual screwing between able-minded and simpleminded sex partners have resulted in prison terms for unsuspecting horndogs. A chromosomally deficient dream girl might look like an easy lay, but if she has the IQ of a ten-year-old, even if she's postmenopausal, she may as well be jailbait.

In Glen Ridge, New Jersey, in 1993, three high-school students were convicted of raping a developmentally disabled, 17-year-old girl with a baseball bat. The accused insisted that their fuck toy had consented to the acts; an appellate court agreed that no coercion was involved. However, owing to the woman's low IQ (49 points), she was deemed incapable of giving consent, and the criminal convictions stood. Two of the boys received 15-year prison terms.

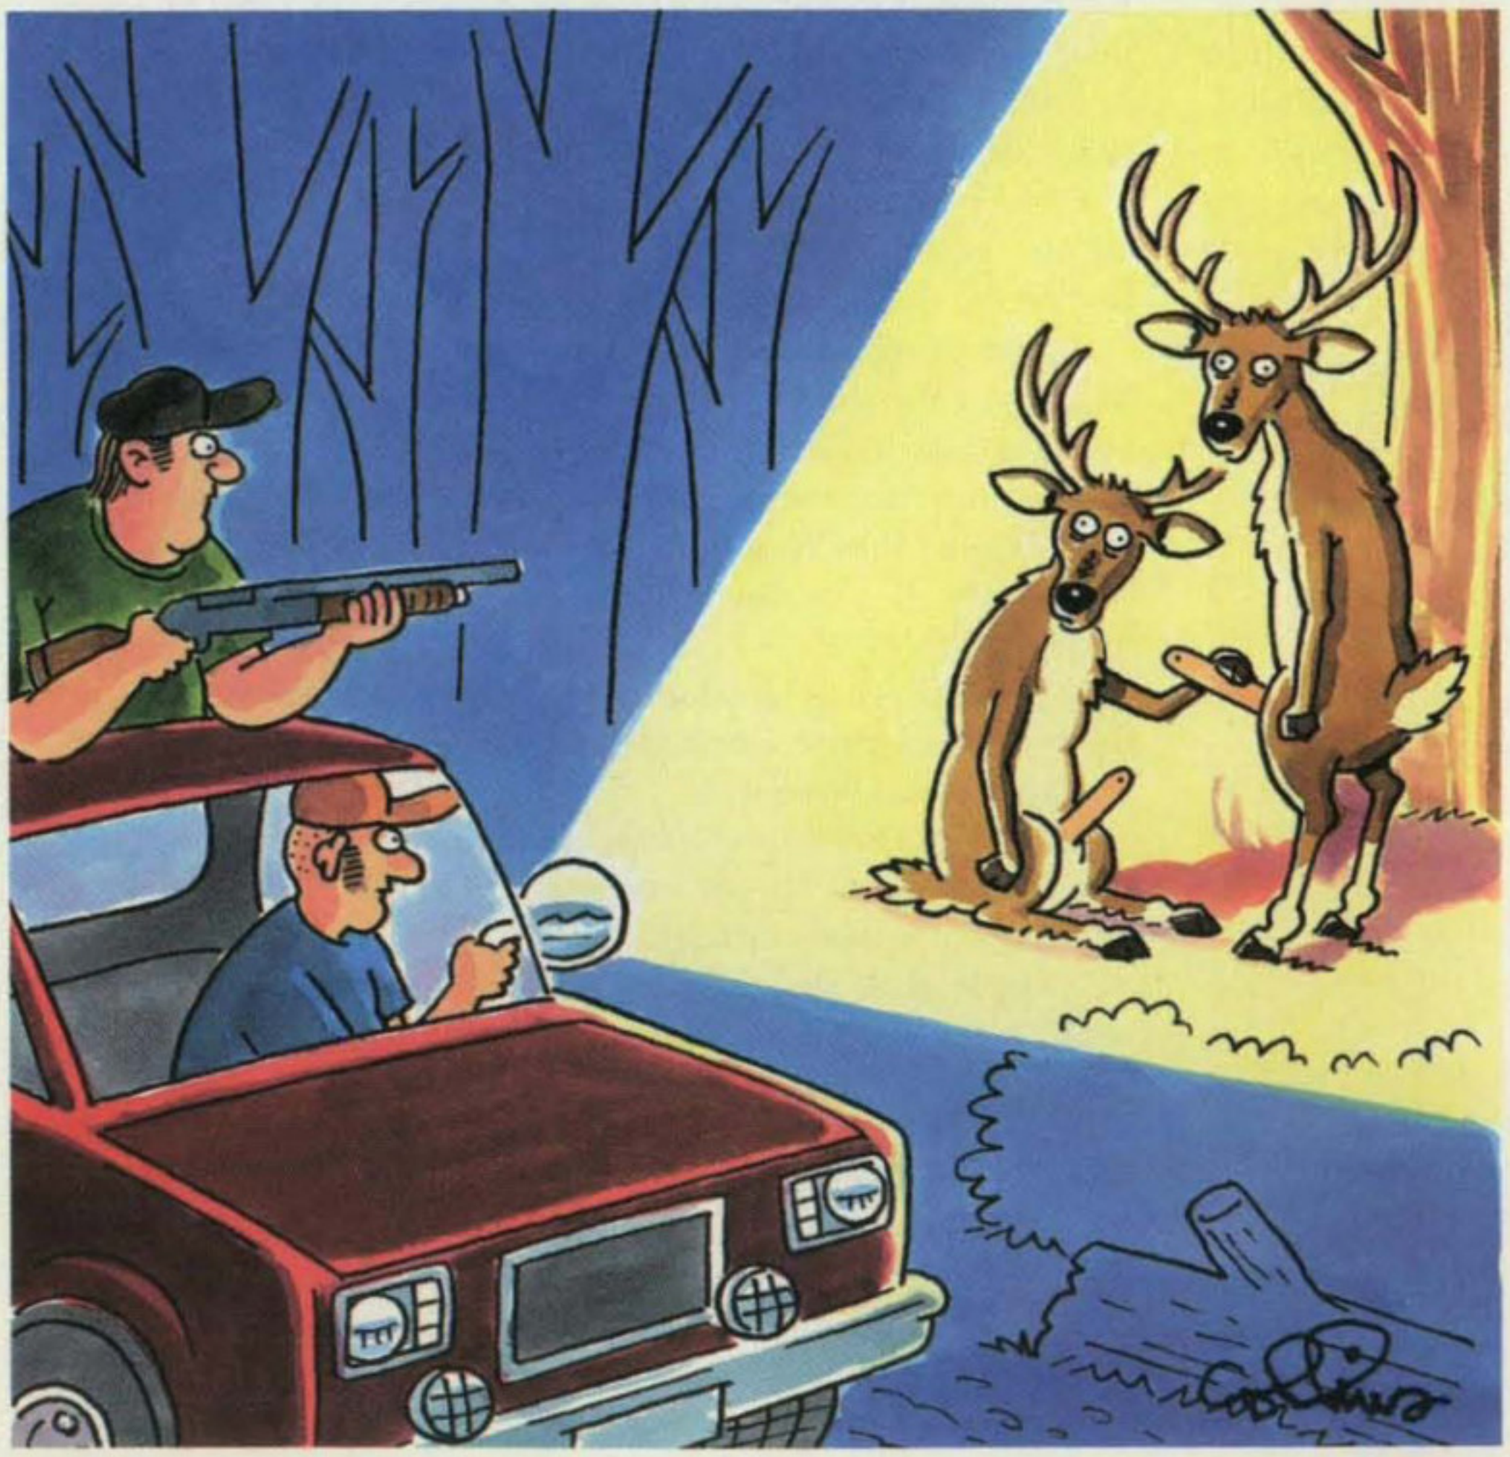
On paper, the unintelligent have the same basic right to express themselves sexually as other American citizens, with the significant exception of the right to marry. As of 1997, 44 states had laws on the books that either place restrictions on a cretin's ability to enter into a marital contract, or provide for the dissolution of unions of those deemed "incompetent" or "incapable."

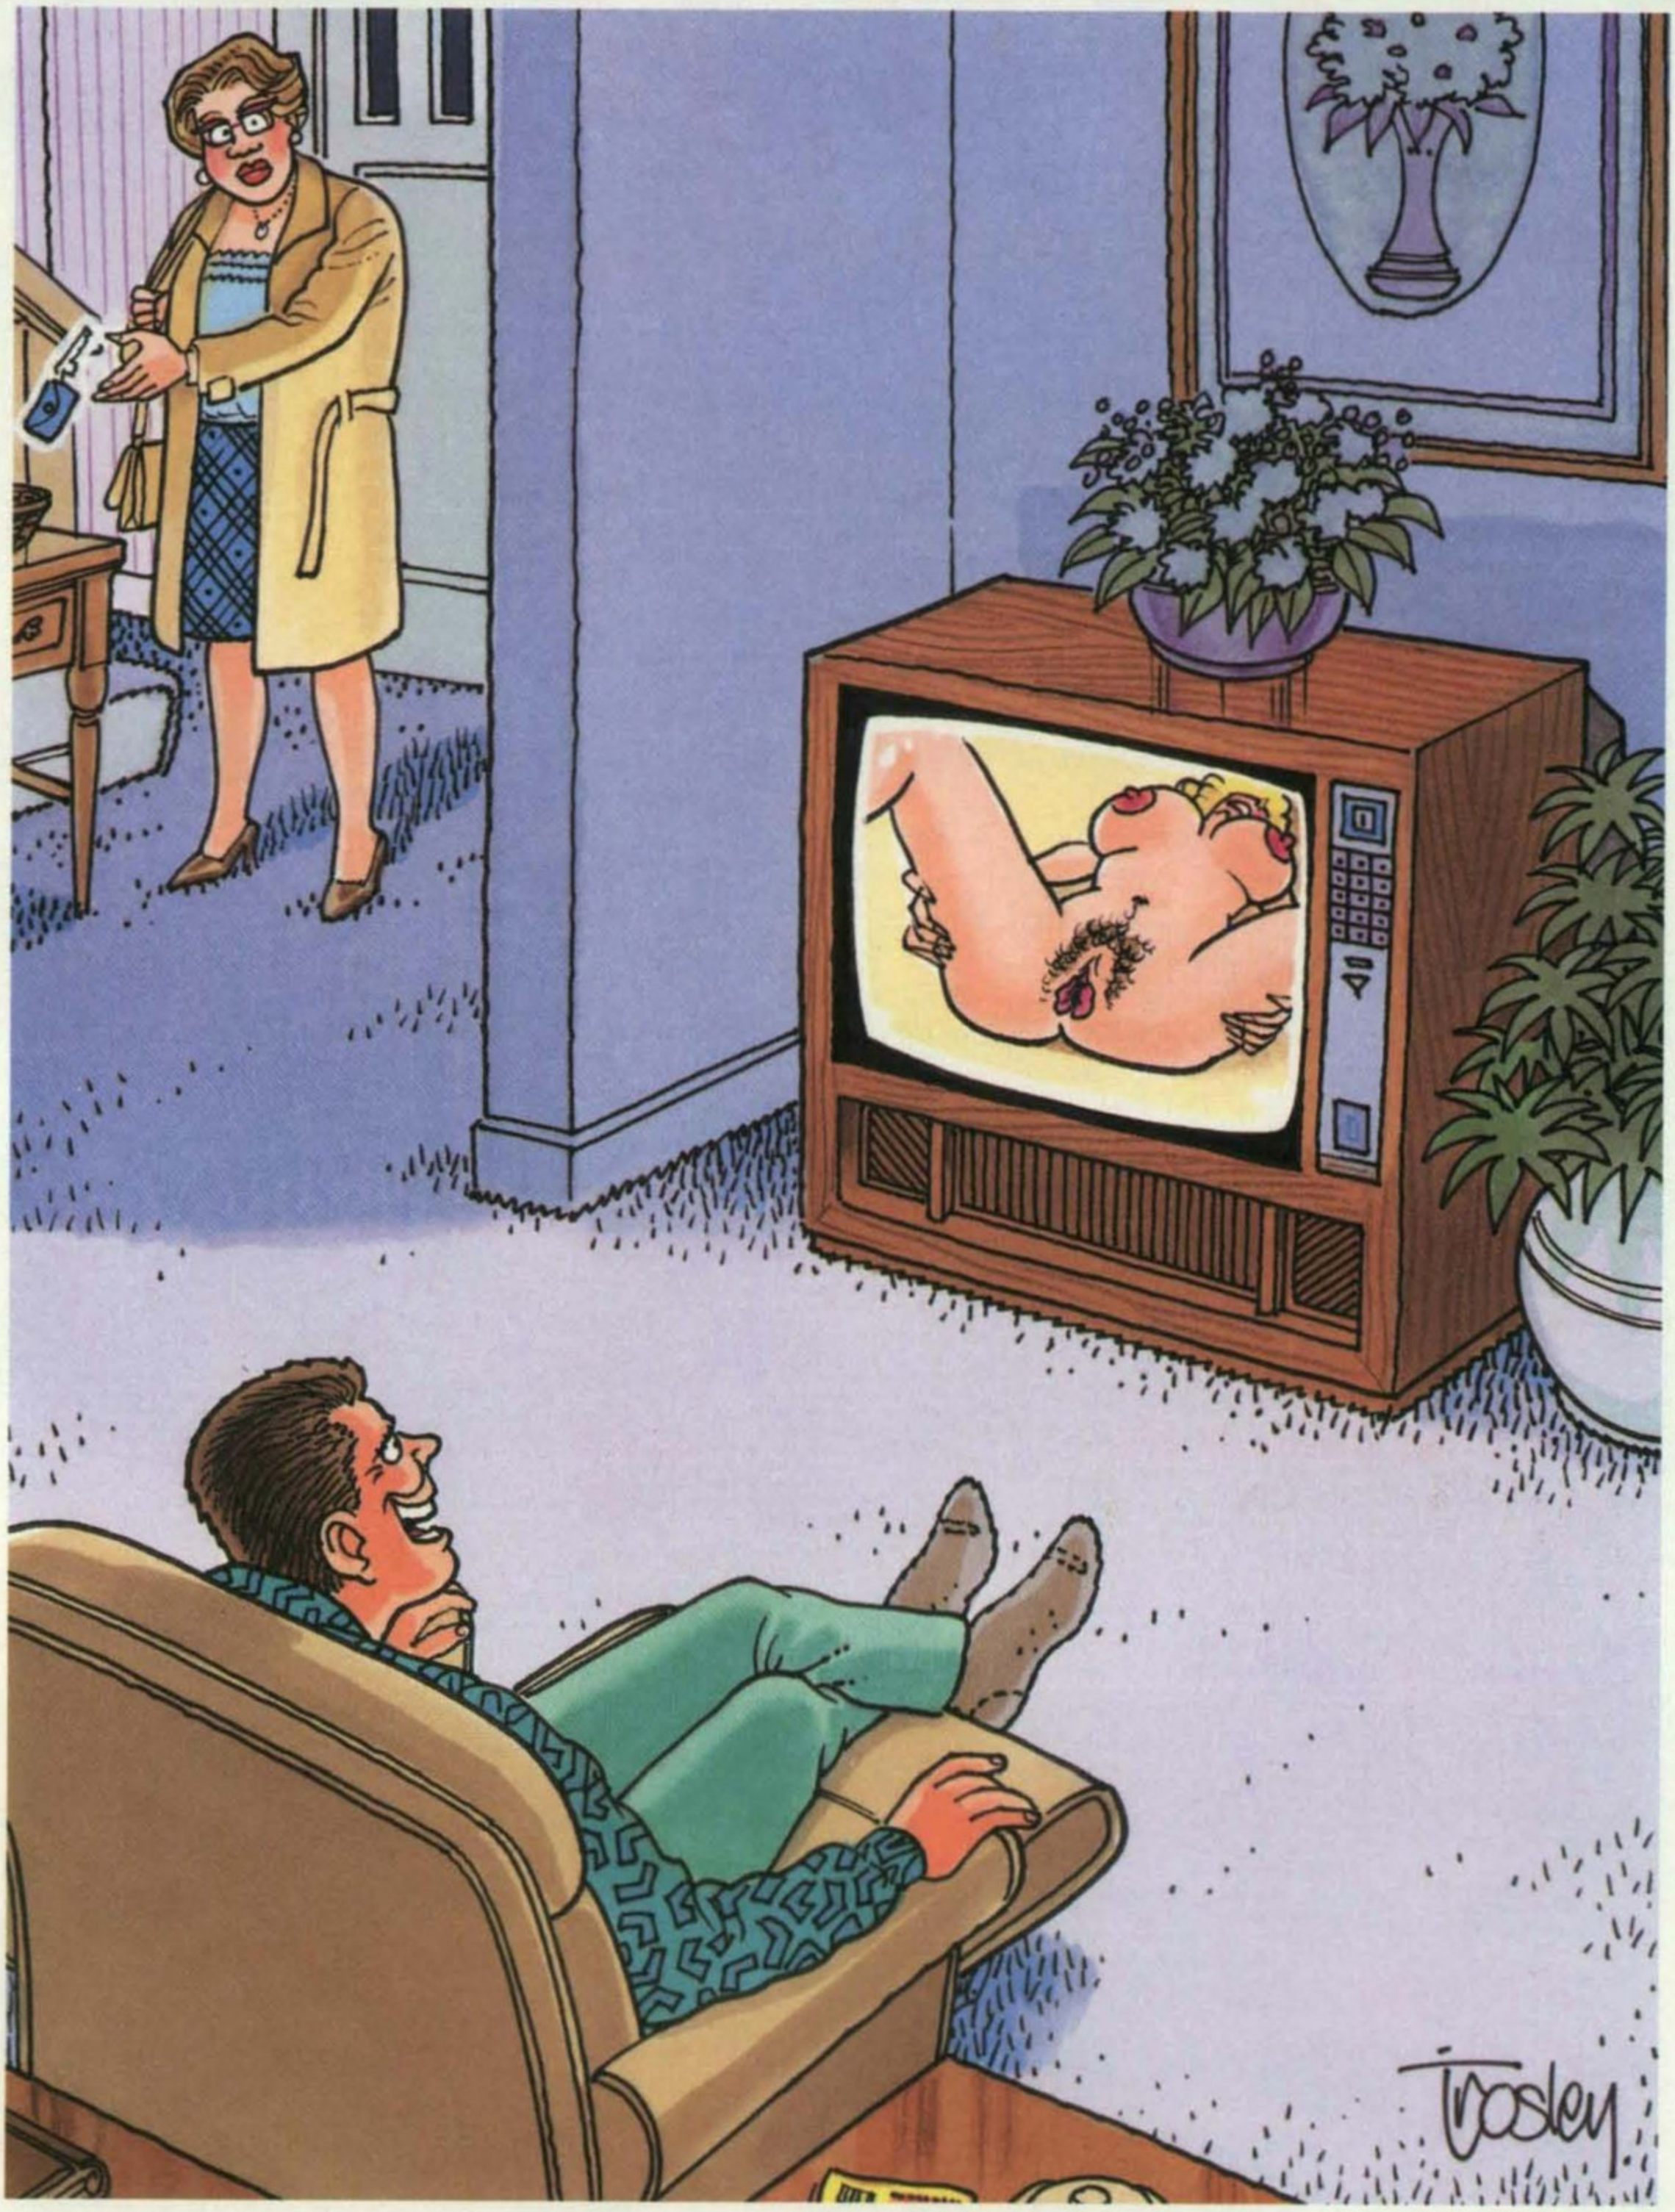
Wesley, a mildly retarded man who works in the stockroom of an office-supply store in Chicago, Illinois, believes this practice is unfair.

"Sex is for grown-ups," Wesley says. "Even though I'm developmentally handicapped, I'm still a grown-up. I'm 22; I had my birthday last week. And if I love somebody, and I want to marry them, then I should be able to."

Left to their own devices, mental midgets can find sexual fulfillment. In a world populated by people who may know too much for their own good, dumb and happy ain't half bad.

"People with developmental disabilities fall in love, develop emotional attachments and have sexual desires like anyone else," says Fabrissio. "How they express them might be different than you or I, but the desire is just the same."





"Nothin'...just watching the Food Network...."

The Anatomy of a XXX Scam

Report by
David Levinsky
Photo by
Dr. X

Why is it that whenever a sleaze-minded huckster brings tramps and mooks together for a new gang-bang world record, everyone ends up screwed?

According to legend, Messalina, the third wife of first-century Roman emperor Claudius I, challenged Rome's most famous concubine to a come-one, come-all battle of carnal endurance in the ancient city's central plaza. Claudius eventually put his whoring wife to death, but Messalina set a standard for nymphomania that is still inspiring fuckathons today.

Two millennia after Messalina bested Rome's biggest harlot, Annabel Chong launched the modern gang-bang era with her starring role in 1995's *World's Biggest Gang Bang*. Chong, a diminutive strumpet born in Singapore and educated in the United States, screwed 251 men in a row; but her record didn't stand for long. In 1996, Jasmin St. Claire, a notoriously bratty brunette, fucked 300 men in *World's Biggest Gang Bang, Part II*. In 1998, busty black beauty Spantaneeus Xtasty laid claim to the title "The New Queen of Porn" by screwing 551 men in *Spantaneeus Xtasty 551*. Only a few months later, platinum-blond Houston upstaged Spantaneeus in *The Houston 500*, in which she claimed a final tally of 620 satisfied stiffies.

Gang-Bang Scams

Annabel Chong, who majored in gender studies at the University of Southern California, says the idea for her now-famous gang-fuck marathon occurred to her after she read about Messalina and about the ancient Babylonians, who Chong says held fertility rites that involved a super-slut and a procession of erections.

"[The gang-bang] is transmogrifying into something quintessentially American," Chong says. "[Contemporary fuckathons are] about numbers; it's not about sex. It was never really about sex in the first place. This is about the magic of filmmaking. Hype it to death, and hope it sells."

John T. Bone, the British director of *World's Biggest Gang Bang*, claims that the credit for dreaming up the factory-line fuck flick belongs to him.

"Annabel Chong is a not-very-attractive little girl that I was fucking," Bone recalls dryly. "One day, she said to me, 'John, I want you to make me famous.' The implication was, if I didn't, I wouldn't be able to keep fucking her. So the enormous gang-bang syndrome was born out of my desire to continue fucking Annabel Chong. I think I did my job pretty well, don't you?"

Not especially—Bone and Chong are no longer on speaking terms, let alone bumping uglies. Chong is upset and alleges that she never received the $10,000 that she was promised for her part in the *World's Biggest Gang Bang*. Bone insists Chong was too "fucked up on drugs" to take the cash when he made it available to her. And so, the modern gang-bang era began with a woman being supremely screwed in more ways than one.

"It's not really accurate to call the gang-bang a scam, because that would be redundant. Everything in porn is about marketing."

"John Bone has a record of accusing girls of being on drugs when it's convenient for him," Chong claims. "And he has a history of not paying people.

"It's a matter of principle; I should have gotten paid for the event," the communal cum-pot adds, though she admits that principles have no place on the set of a gang-bang. According to Chong, the number of men purportedly serviced in a record-setting porn shoot is always outrageously inflated.

"I didn't do 251; Jasmin [St. Claire] didn't do 300; Houston didn't do 500—this is all bullshit," Chong says.

"Jasmin probably had sex with about 50 guys, total, the day she set her so-called record," says Danny Ortega, a smut scribe who witnessed the filming of *World's Biggest Gang Bang, Part II*. "The ticker that was keeping count would add five to her total for every time she was penetrated. The same thing happened at the *Houston 500*, except that with Houston, the ticker would jump from, like, 127 to 157 when they thought no one was looking."

"We all know that those numbers are jacked up," says Jasmin St. Claire. "It's all one big scam for publicity."

Dr. X, a porn-industry photographer who has been on the set of all of the record-setting gang-bangs, explains that the job of a XXX director is to create the illusion of an army of mooks.

"They circulate the talent—the same guys keep moving through the line five or six times," Dr. X says. "But it's not really accurate to call the gang-bang a scam, because that would be redundant. Porn is about creating a fantasy, and the gang-bang is really just a publicity stunt. Everything in porn is about marketing."

Annabel Chong agrees that illusion is a key ingredient in staging a bang-a-thon.

"There's a certain degree of suspension of disbelief going on," Chong says. "There's this fantasy coming into play, that this girl really did all those guys, that her vagina is a bottomless pit that will swallow any cock out there. Even when people realize it's a scam, they still want to watch."

* * *

The latest incarnation of the mass-sex craze that Annabel Chong says she revived from antiquity is *Who Wants to Shag to Be a Millionaire?*, a 12-hour XXX video/Internet pay-per-view event and brainchild of an entrepreneur who believes there's a cocksucker born every minute.

Forest Williams, the 33-year-old owner of Shag Productions, a two-year-old Santa Rosa, California, company that provides content to XXX Web sites, thinks he has hit upon a scheme that will make him the P. T. Barnum of porn: offering $1 million to the woman who sets a new gang-bang "world record."

Who Wants to Shag to Be a Millionaire? was an instant hit— *(continued on page 78)*

"Just answer the question! We don't care what you think of lawyers!"

"I hate playing poker with Larry Flynt—you can never tell when he's bluffing."

Felicia & Gina

It's the Clit, Stupid

"I never have trouble finding a girl **to lick my pussy,"** laughs Felicia.
She pushes her hot slash into Gina's face.
"I just spread out on the roof, and the sluts come running. This bitch can't eat enough of my box.
She sucks cunt like she's starving.

"I know guys are watching us
from their windows, and I don't care.
If they pay attention,
they might learn something about licking slit."

Gang-Bang Scams

(continued from page 68) as measured in hype. Media outlets were unable to pass up the promise of a big-money giveaway combined with history-making sexual excess; Williams landed a guest spot on *The Howard Stern Show;* and MSNBC, the Playboy Channel and America's largest Spanish-language television network have sent correspondents to cover Williams's XXX spectacular.

"I'll be called the king of Internet porn, I hope," Williams enthuses on the morning of his big event. Resplendent in a shiny beige suit and snakeskin boots, his reddish hair pulled back in a ponytail, the shifty-eyed promoter looks as much the part of a snake-oil salesman as that of E-porn royalty.

Drawing from a pool of "hundreds" of applicants, Williams has brought three ambitious sluts to the Power Exchange, San Francisco's premier fetish club, where they will enlist their vaginas in an effort to set a new one-day record for promiscuity. Win, lose or draw, each of the three loose ladies will become shareholders in the resulting XXX video, and will receive a cut of the flick's profits—should there be any.

"This is going to be the first porn-star-owned company," Williams says, striking a note of altruism that jars with his huckster-take-all appearance and fast-talking manner. "Let's bring some profits to the people who make this industry."

Shareholder/contestant number one is Libra, a skinny, tiny-titted, 37-year-old blonde. The licensed manicurist from Las Vegas, Nevada, says she's excited by the thought of screwing an army of strangers.

Libra says she's excited about screwing an army of strangers. "If you're a very sexual woman, why hold yourself back from something you enjoy?"

"That's been my dream fantasy for a long time," Libra gushes. "I don't care if anybody looks down on me. If you're a very sexual woman, why hold yourself back from something you enjoy?"

Libra's husband, Leroy Brown, is on hand to cheer and lube his wife during the fuckathon. "When it comes to sexuality, if you're not going to be okay about 621, you're not going to be okay with one," says Leroy, a diminutive man who wears a cowboy hat and apparently believes that he makes sense.

The second would-be millionairess is Raini, a 42-year-old waitress from Chicago, Illinois. Contestant number two says that previous work experience as a phone-sex operator and callgirl has uniquely prepared her to be the world's next megaslut. "Depraved is good," Raini asserts.

Raini's gender has been the focus of some debate since she stepped into the XXX limelight. When Raini appeared on Howard Stern's radio show as part of the pre-event publicity blitz, the schlock-jock accused her of having once been a man. Raini vigorously denies this charge, but Dennis Hof, owner of the Moonlight Bunny Ranch, a legal brothel in Nevada, isn't convinced.

"She's had a whole bunch of operations," says Hof, who was brought to San Francisco by Forest Williams to act as a gang-bang consultant. "The speculation from everyone was either she was a tranny or a hermaphrodite [and that she] has had plenty of vaginal work."

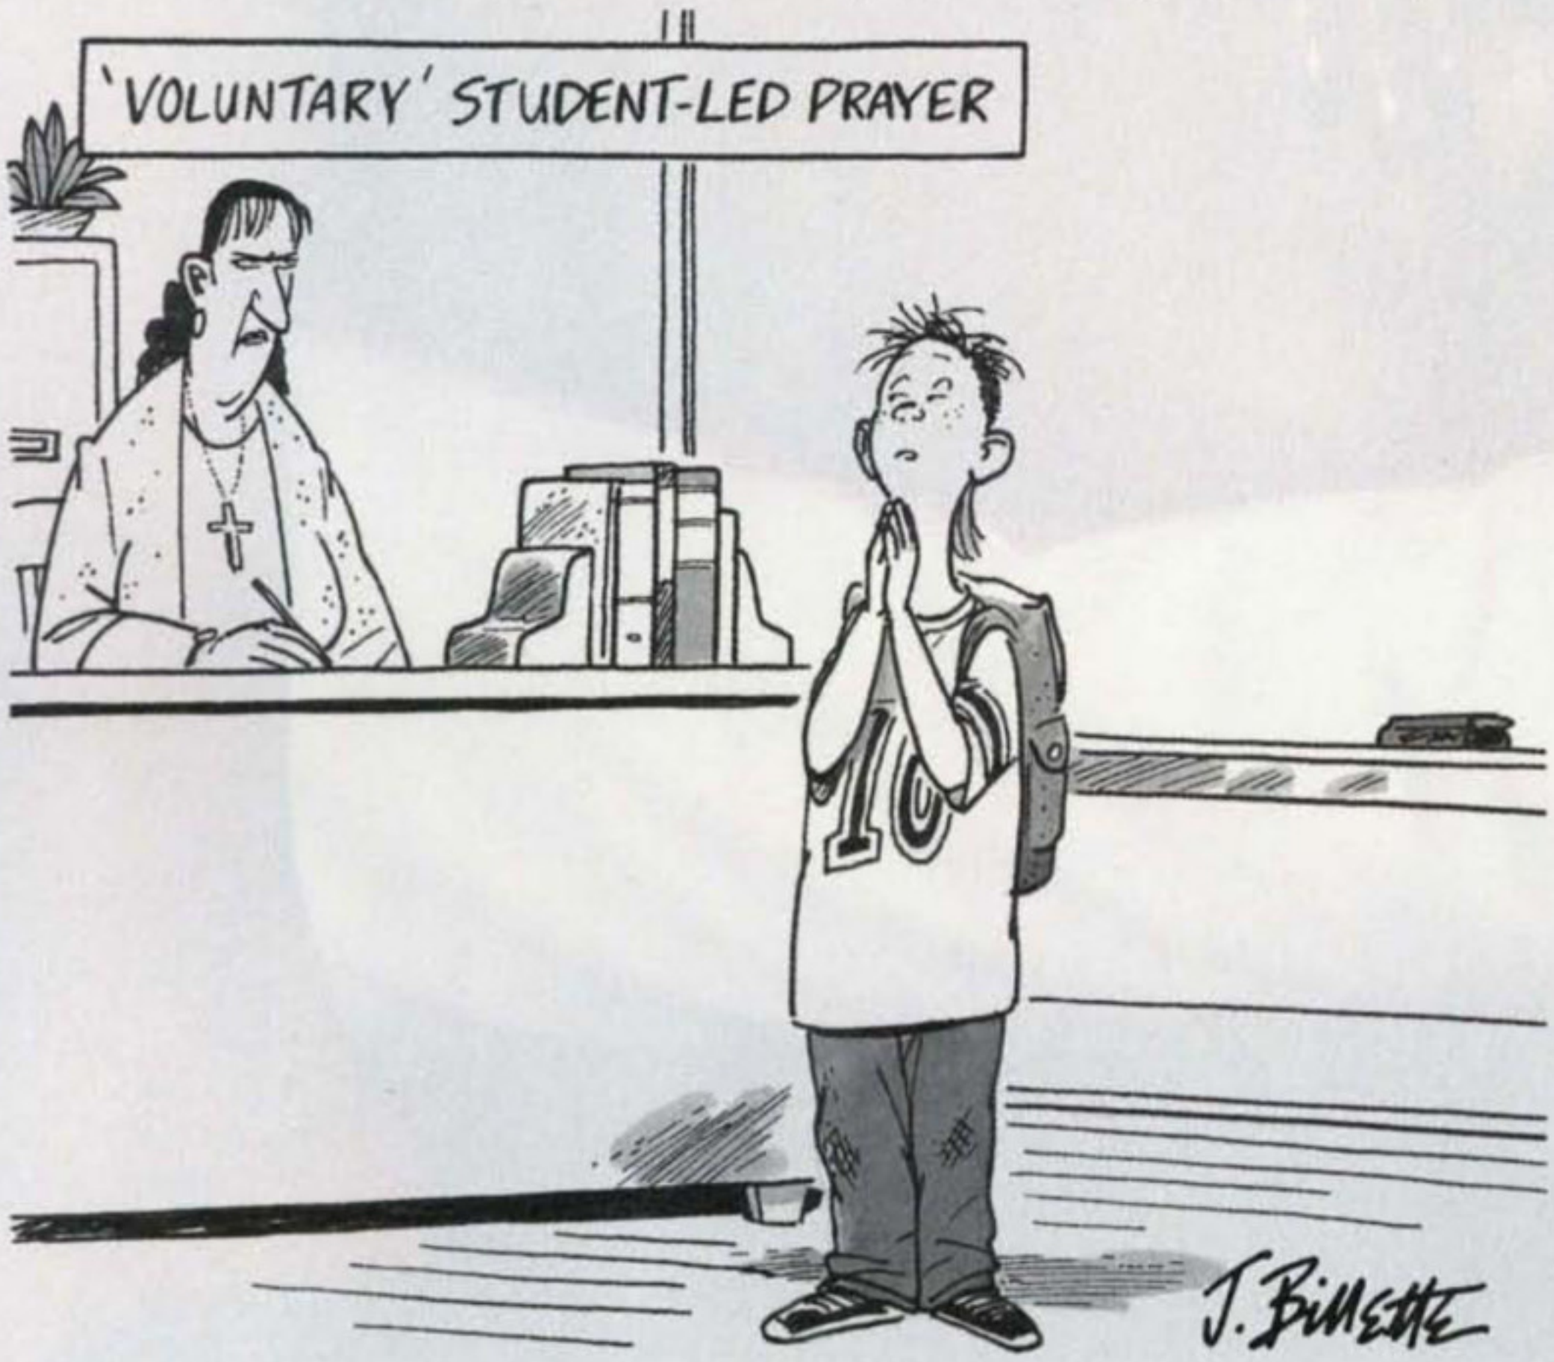
Rounding out Forest Williams's cast of human pincushions is Hot Chocolate, a stick-thin, 29-year-old Jamaican from northern California. Hot Chocolate, a medical-service administrator and the mother of two children, says she has only one reason for taking part in the gang-bang, and sex isn't it: "The money, the money, the money," she chants. For Hot Chocolate, taking part in the sleaze-fest is a choice between "bad girl poor, bad girl rich."

Bad girl with AIDS is a third possibility. Forest Williams had originally arranged for all participants, male and female, to submit to HIV screening before the orgy, but a deal with AIM Healthcare, a nonprofit organization that provides AIDS tests for adult-film performers, fell through.

"We've unfortunately had to limit the amount of AIDS testing done, and the girls know that," Williams says.

According to AIM President Sharon Mitchell, herself a former porn actress, Williams had agreed to pay AIM $75,000, in three easy installments, to provide AIDS testing for the hundreds of horndogs who were expected to take part in the event.

"Every time I talked to Forest, I got another song and dance about rearranging the deal," says Mitchell, who adds that, even after a lower price was agreed upon, Williams's promised check in the mail remained elusive. AIM screened a



"Dear Jesus, please get religion out of my public school. It is unconstitutional and really boring. Amen."

"Oh, leave him alone, Murphy. He's only shooting Protestants, and it is St. Patrick's Day!"

grand total of one mook before pulling out of the event.

"We went as far as we could, and spent as much money as we could afford, to give him the option to make this a safe event," Mitchell says.

The ever-resourceful Forest Williams devised a plan to follow through on a pledge he made in a press release he sent to media outlets all over the country, touting *Who Wants to Shag to Be a Millionaire?* as a "safe sex" event. "Shaggers" who have passed an AIDS test will be issued a pink wristband. A gang-banger who has taken no test at all will wear a blue wristband. Condoms will be encouraged for all sex acts, including blowjobs, but the use of sperm-catchers is left up to the discretion of the girls.

Libra is well aware that she will be fucking men who might be carrying HIV, but she is nonetheless eager to bone her way into a higher tax bracket.

"I was kind of skeptical at first, but I'm okay with it now," Libra says. "We take risks every day, just walking across the street and eating."

By noon, the time that the mass-fucking is scheduled to begin, the mother of all gang-bangs already looks more like one big fuckup. The cameras that are supposed to broadcast the fuck-off to a worldwide Internet audience are not working properly. What's worse, only a handful of the hundreds of men who are expected to participate in *Who Wants to Shag to Be a Millionaire?* have arrived.

"Our answering machines were full of guys who said they were gonna be there," says Williams. "That's what happens when you're working with unpaid amateurs."

By noon, the event already looks like one big fuckup. Cameras aren't working; only a few men have arrived.

By 2 p.m., only a smattering of Forest Williams's "unpaid amateurs" have checked in; they sit sipping sodas in a brightly lit lounge, eyeing each other nervously and waiting for the fucking to begin.

When a Shag Productions flunky finally has the Web cameras online and operational, Libra, Hot Chocolate and Raini are escorted downstairs to three cubicles set up in the Power Exchange's basement dungeon. Each girl climbs on her respective bed and awaits her first fuck of the day.

"You guys are the bomb, man. I think you guys are righteous," Forest Williams says to his army of hard-ons, who number no more than 25. "Let's go. Go get laid!"

The gang-bang to end all gang-bangs starts inauspiciously. Chet, a 47-year-old truck driver from a San Francisco suburb, disrobes and climbs into the bed with Raini. She jerks him and blows him to no avail. A few minutes later, Chet slinks away from the glare of the cameras, dejected. "I was very nervous in there, having a hard time getting aroused," the limp dick complains. Another horndog eyes Hot Chocolate nervously, but his johnson is a shriveled shrimp. The spread-eagled Hot Chocolate is unwilling to give oral and manual favors to the wet noodles that surround her.

Lisa Rubio, a 40-something sensual masseuse wearing a purple catsuit, is called upon to fluff. Lisa takes to her work like the whorehouse equivalent of an ER nurse, dashing into Raini's cubicle and snapping on a pair of latex gloves. She toils with her mouth and hands to stiffen the poor man's pecker, *stat!*

Meanwhile, "Wild Bill," a hairy, 55-year-old businessman from Los Angeles with a sizable paunch, has no problem launching his meat missile: He claims the day's first blood by penetrating Libra. "Great; 620 to go," Libra coos. Wild Bill pumps his fuckmate for about a minute-and-a-half, then it's time for the next hard-on's turn at the plate.

* * *

If the standing gang-bang record of 620 is universally acknowledged to be as phony as a three-dollar bill, the attempt to surpass it seems futile at best, a fact that doesn't particularly concern the event's organizer.

"What gang-bang has ever been done with the true number?" Williams asks. "We're just going to rotate, just like anybody else does. At least I'm honest about it."

Williams may be up-front about his plan to cook the books, but there's no getting around the fact that his openly fraudulent event is seriously undermanned. In order to even semilegitimately establish a new gang-bang record, each of the 25 or so men on hand would have to notch 25 separate penetrations with a single girl.

Even assuming that his gang-bangers are superheroes of virility and help establish a new gang-fuck *(continued on page 126)*

Jim paid $500 to a madam for a virgin whore. He was sent to an upstairs room, where a fresh-faced 18-year-old expertly sucked him to the brink of coming, then quickly finished him off in her cunt. The whole session lasted less than five minutes.

The john was not happy. "They said I'm the first man you ever fucked," he complained.

The girl looked blankly at Jim. "You might be," she smiled helpfully. "Your face looks familiar."

Question: Why did Michael Jackson want Boyz II Men on his tour?

Answer: He thought they were a delivery service.

Mike sat glumly all evening eyeing his wife suspiciously. Finally, he blurted, "Linda, admit it. You've been sucking off the dog!"

"What the fuck are you talking about?" the wife blushed.

"I've been watching you two," Mike answered, "and every time you yawn, he pops a boner."

An apartment building in the deep South was burning. The emergency crews arrived, and soon Captain Snopes of the local fire department, armed with a bullhorn, was coaxing the occupants of the upper floors to jump into the firemen's net. Most of the residents were white, but eventually a black man climbed out onto the ledge.

"Come on down," Captain Snopes barked into his bullhorn. "The men'll catch you!"

The black guy leaped. Laughing, the firemen pulled the net to one side and let the tenant splatter on the pavement.

A Latino on the top floor saw the black man's fate. He yelled down, "Hey! I ain't black! I'm from Mexico!"

"Well, go on and jump then!" the Captain grinned. "We got you!"

The Mexican stepped forward and dropped 20 floors. Just before he reached the net, the firemen yanked it aside and yelled, "*Olé!*"

Wendy had gained a few pounds. Her old jeans fit as snugly as a sausage casing.

"Shit," she said to her husband. "These jeans make me look like the side of the house."

"No, dear, not at all," Wendy's man soothed. "Our house isn't blue."

Lainie went into a bar and ordered a magnum of champagne. As soon as the bartender filled the first glass, the shapely girl grabbed the drink and poured it down the back of her skirt. To the barman's shock, she took the bottle from his hands and overturned it, sending champagne gurgling between her ass cheeks, until her crack was soaked and the bottle empty.

"Christ!" he exclaimed. "What are you doing?"

"I just won the lottery," Lainie replied, smacking her wet rump, "and *this* is the only asshole I'm sharing it with."

Question: Why do blondes whistle on the toilet?

Answer: It helps them remember which end to wipe.

Morris, an old Jew, was eating his Passover lunch in the park when a blind man sat next to him. Feeling neighborly, Morris passed a sheet of matzo to the sightless guy.

The blind man ran his fingers over the unleavened bread for a moment, made a disgusted face and shouted, "Who wrote this bullshit?"

The HUSTLER Dictionary defines *butt-fucking* as: Cornhole knowledge.

After a brief courtship, an elderly couple decided on a spur-of-the-moment wedding.

On the way to the courthouse, the geriatric lovers discussed the nuts and bolts of their nuptials—finances, living arrangements and so on.

Finally, they broached the subject of fucking. "How do you feel about sex?" the geezer asked, full of hope.

"Oh, I like to have it infrequently," she responded.

The old guy thought for a moment, then asked, "Was that one word or two?"

Rent-a-Slave Chick

No one should have to endure **physical torture** *to make a living, but some girls can't help themselves.*

Inside a Fetish Club With
Lara Sterling

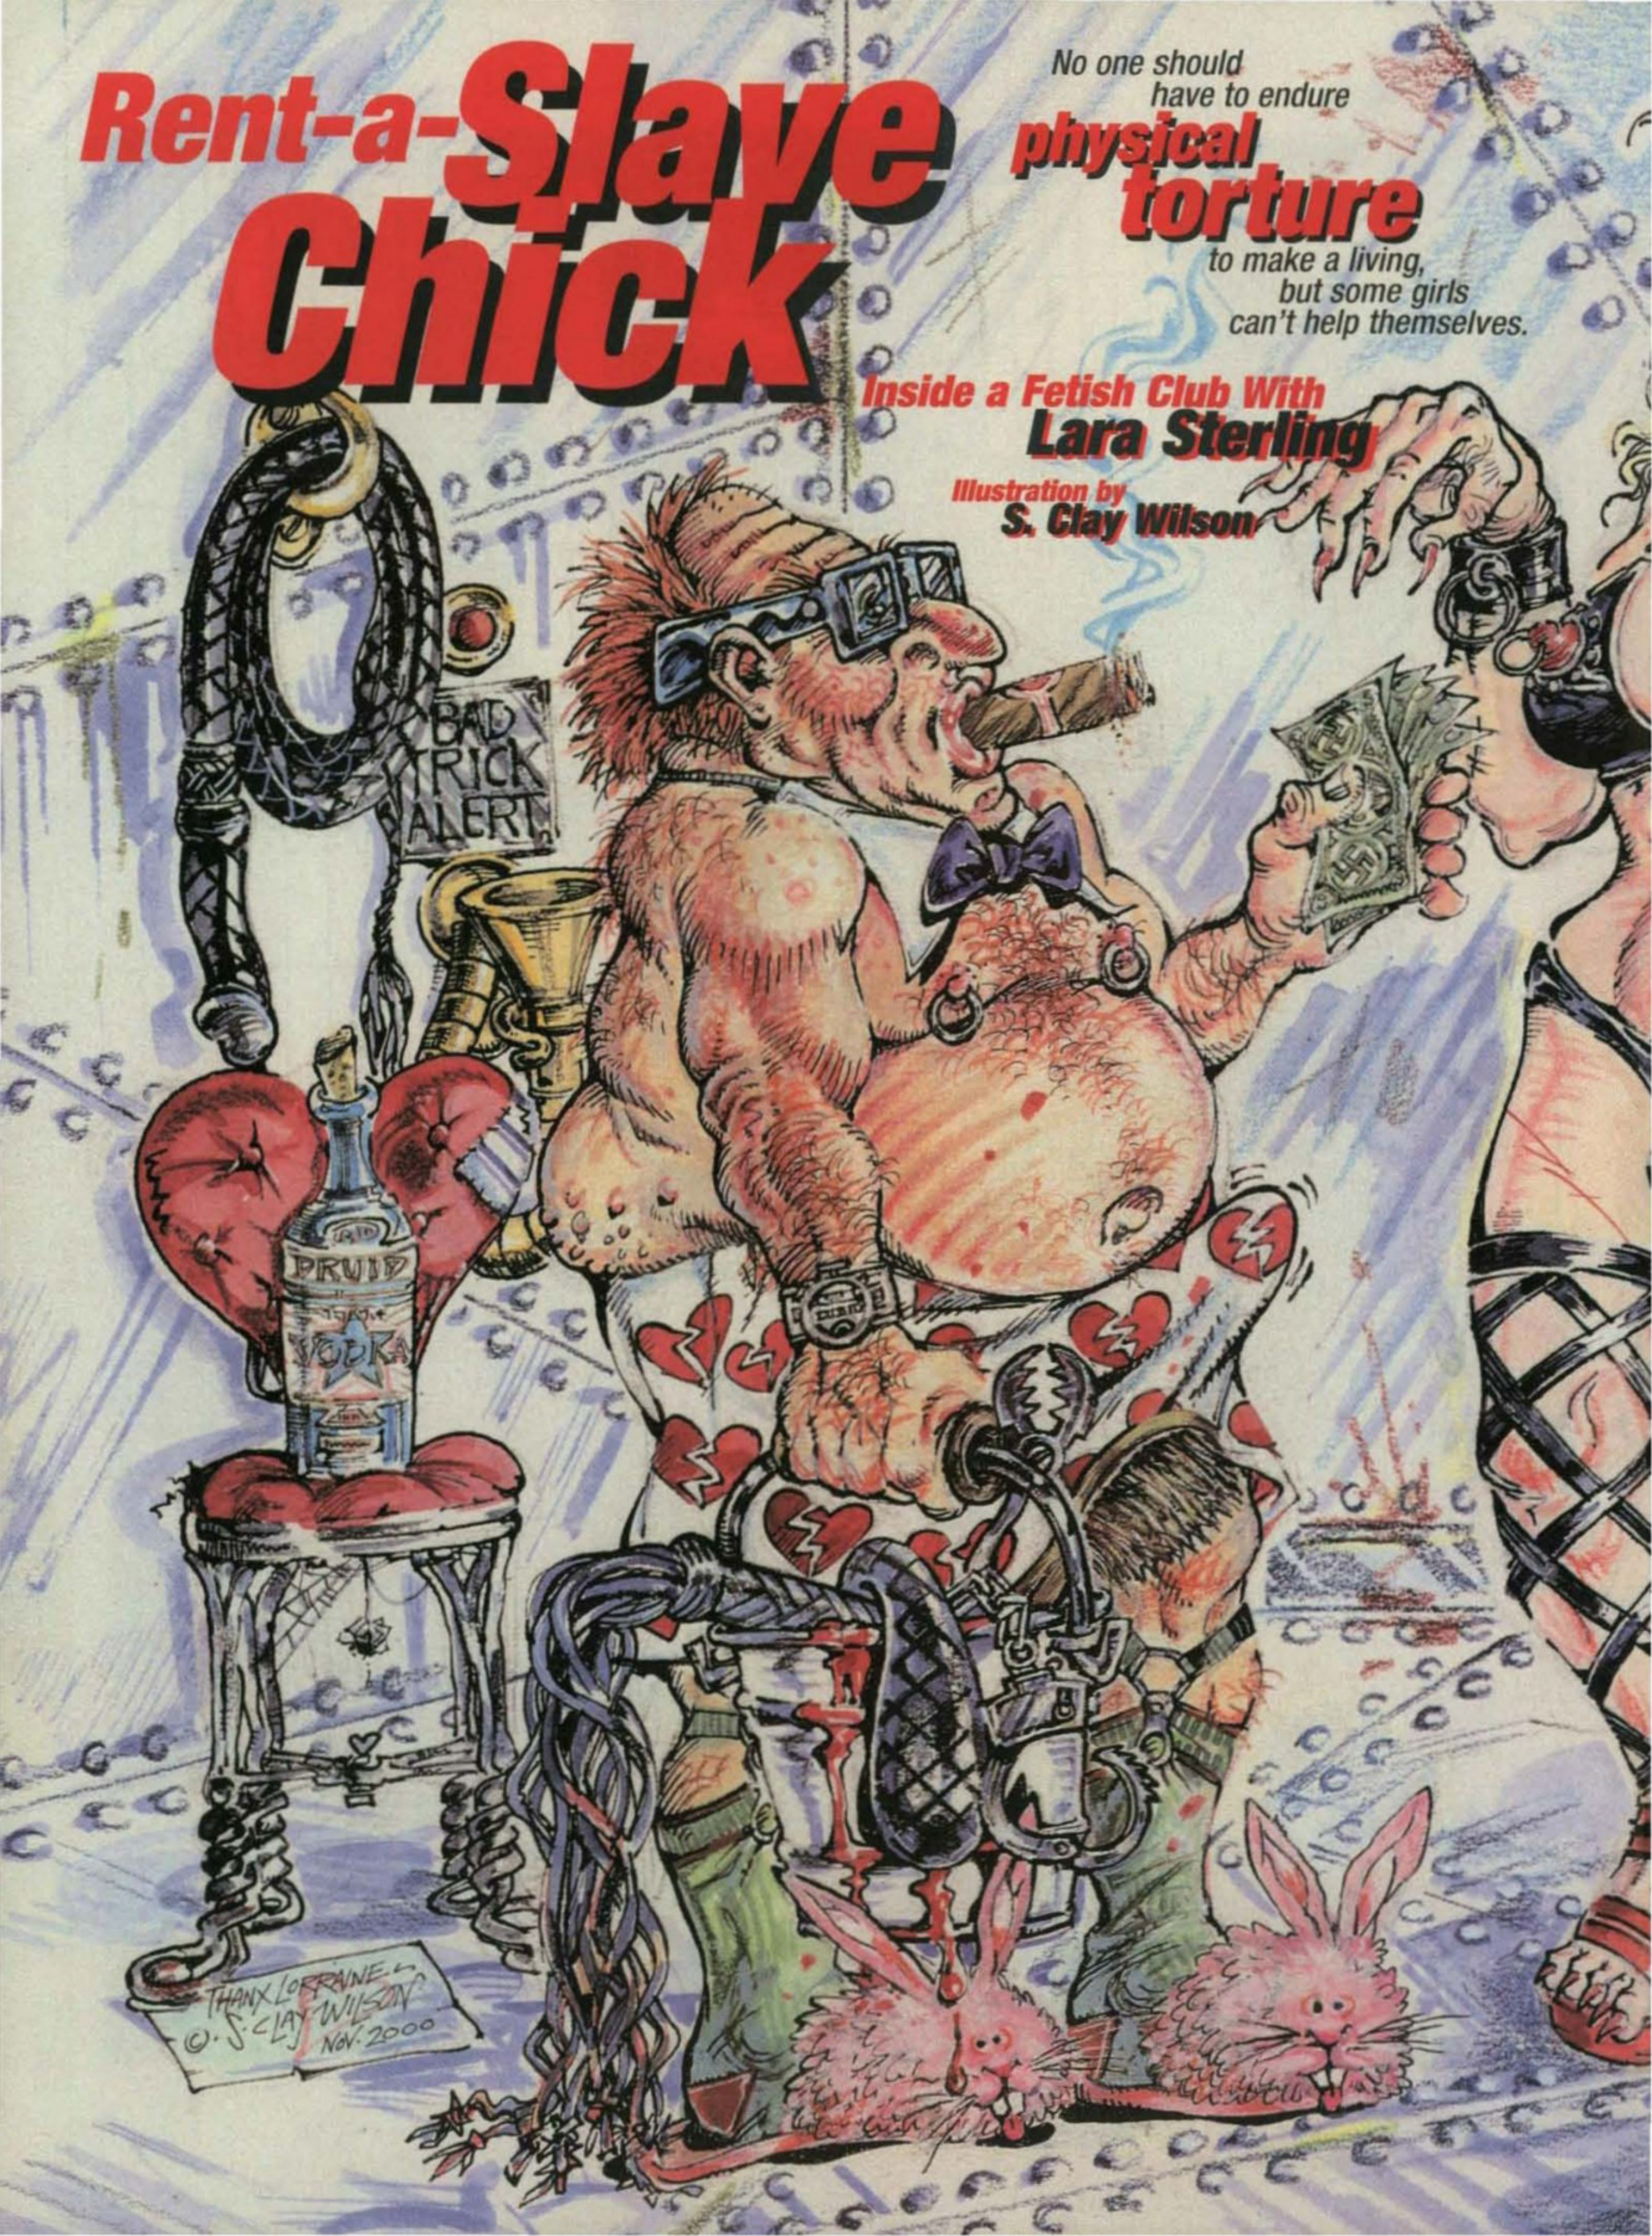
S. Clay Wilson



Professional Submissives

There is a band of young, cute, ripe girls, without a politically correct bone in their bodies, who live in Southern California and pay their rent by getting tied up and enduring beat downs from any man with a sadistic streak and cash on hand.

The services of these professional submissives can be had, for a reasonable fee, at North Hollywood, California's premier fetish club, the Chateau.

A boxy, warehouselike building in a low-income Latino and Armenian neighborhood houses the Chateau. The sidewalk outside is strewn with discarded newspapers, empty soda cans and dog shit. The Chateau is sometimes described as "the McDonald's of B&D" because the club accommodates clients who walk in off the street and is cheap compared to an expensive bondage-and-discipline session with a freelance dominatrix or submissive.

On the inside, the Chateau exists in a state of comfortable decrepitude; the vinyl on much of the bondage equipment is gouged and torn, and everything except the girls is covered with a thin film of greasy dust. The first and only legally licensed S&M (sadomasochism) parlor in the Los Angeles area, the Chateau has kept a steady stream of tops and bottoms walking through its tinted-glass front doors for the past 24 years. The Chateau's longevity can be attributed to the fact that the club has long been one of the only establishments in L.A. County that serves up a highly sought after delicacy—the girl who is willing to be tortured and degraded for money.

A session at the Chateau with a dominatrix, submissive or "switch" (a girl who can perform either role) costs $100 for a half hour and $160 for a full hour. The services of a fetish girl can be leased for an eight-hour shift at the bargain price of about $1,000.

Kelli says she can handle any dose of torture. "I broke two of my ribs at a play party last weekend."

Aside from being on the receiving end of riding crops and nipple clamps, submissive girls differ from dominatrices in that they usually won't work "freelance," meaning they don't advertise in the back of "alternative" newspapers, nor do they conduct sessions out of their homes or in a private dungeon space. It is exceedingly dangerous for a girl to allow herself to be tied up, gagged and whipped by any stranger who responds to a personal ad.

The Chateau provides an element of safety for a professional pain junkie. An intercom located in each room monitors the beatings, and prospective clients must sign up to be a member of the club before they can have at a submissive. A computerized database records any untoward conduct of club members.

* * *

On Valentine's Day, faded red, pink and white cardboard hearts and paper streamers decorate the dungeon rooms and front lounge area of the Chateau. The air is dank; the carpets are stained. The club is not busy; female staff members outnumber guests, most of whom more closely resemble Beaver Cleaver than the Marquis de Sade. Many of the rogue sensualists on hand wear Dockers, Oxford button-downs and brown-leather loafers; a few of the sporting-house guests wander the club naked but for a pair of briefs, seemingly in search of something "kinky."

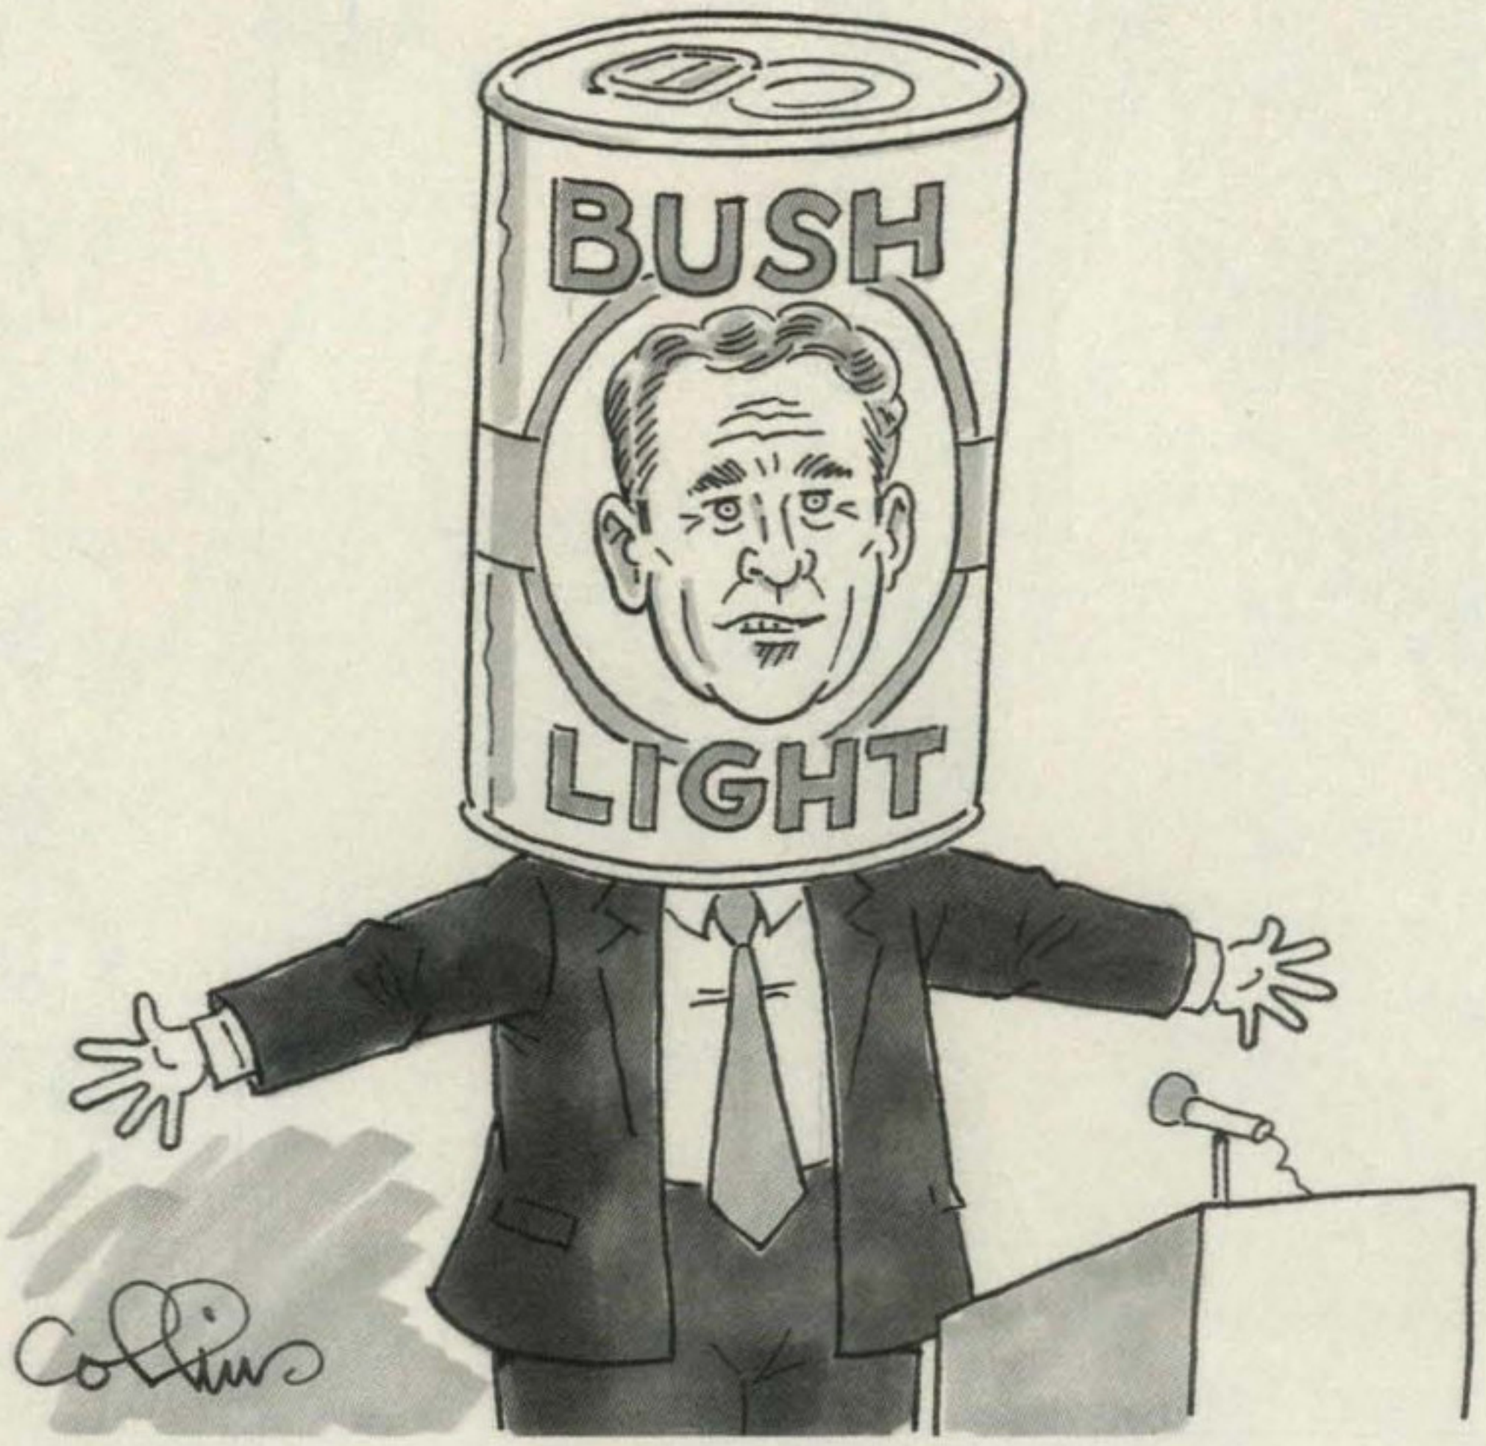
Behind closed doors, a half-dozen sex workers gussy up in a dressing room reserved for the Chateau's labor force. Kelli, a tall, olive-skinned 24-year-old, daubs on makeup and curls her hair with an electric iron. Kelli is one of the "heaviest" submissives at the Chateau. A heavy submissive, as opposed to a light or medium sub, is able to endure a great deal of pain during a session. Kelli says she can handle just about any dose of torture.

"But I have to take it easy the next couple of weeks," Kelli confesses with a hint of disappointment. "I broke two of my ribs at a play party last weekend." (A *play party* is a gathering where enthusiasts engage in S&M activities in a party-style setting; no money is involved.)

"She kept asking me to hit her in the stomach harder," says Deidre, a shapely redhead who is Kelli's dominant girlfriend outside of the Chateau. "I mean, really whale on her." Deidre shakes her head with disbelief as she explains how several people held Kelli down while she threw bone-cracking punches into the sub's gut.

Based on the heavy-bondage relationship she enjoys with Kelli in her private life, Deidre suggested that her obedient lady friend take a job at the Chateau.

"We have so few heavy submissives



"I won't forget this, you cheatin' bitch!"

Professional Submissives

here," Deidre laments.

Kelli is a "lifestyle" player, meaning S&M isn't just something she endures for the sake of a dollar; beatings are integral to what turns her on in her private sex life. Unlike most of the pro subs at the club, Kelli is a "real pain slut," according to Deidre. Ami, a stocky, porcelain-skinned girl, isn't as enthusiastically servile as Kelli.

"I'm sick of being a sub; I want to be a dom," Ami says. "But I don't know how to use a whip."

"That's why you're a sub," snaps Alexis, a popular Chateau dominant, who started out as a submissive and then spent years honing her skills as a woman who tans the hides of pain-loving men.

The Chateau's unwritten policy dictates that the best dominants first learn what it is like to submit to sexualized cruelty; they learn how to use whips and paddles by suffering spankings from them. Once a girl has had the ways of sadomasochism beaten into her, not only will she wield the weapons of S&M with the skill that comes with experience—she will take particular satisfaction in having her boot licked by a groveling male slave.

In preparation for a Valentine's Day filled with bondage and torture, Lexi, a short, thin Latina, adjusts a black, Betty Page-style wig on her head. Lexi, whose pert breasts are each adorned with nipple piercings, hardly considers herself a pain slut.

"I don't know about this job," Lexi shrugs, penciling in her thin, plucked eyebrows. Like many Chateau staff members, Lexi was a stripper before she decided to make a living by submitting to punishment at the club. "I don't like having some nasty man spank my ass while I'm naked. I get pissed. I say, 'Don't spank me so hard.'"

"I don't like having some nasty man spank my ass while I'm naked. I say, 'Don't spank me so hard.'"

"Yeah, it's too intimate," agrees Cherry, a pencil-thin black girl with long, braided extensions. Cherry, another former dancer, slips her feet into a pair of white platform-heeled shoes. "I don't like the idea of being in a room by myself with a guy while he jacks off."

Although men are allowed to masturbate during private sessions at the Chateau, the club is constrained by the same antiprostitution laws that govern any other sex-industry establishment in the state of California. No penetration of any sort (including dildos) is allowed; blowjobs, handjobs and the exchange of bodily fluids are all forbidden.

* * *

Sandra, a voluptuous dominatrix, worked as a submissive for her first six months at the Chateau. Her apprenticeship absorbing punishment made her eager to rise to mistress status.

"I had thought that being a sub at the Chateau would be sensual, that I would encounter caring, warm male dominants," Sandra says.

"Instead, I encountered men with slippery fingers. Their fingers would 'slip' into my pussy while they were spanking me. Or guys would tell me they were light-to-medium dominants during our interview, when they were actually heavy."

Sandra may be a seasoned, if somewhat naive, sex worker, but the 26-year-old brunette is also the proud mother of two girls, aged four and six.

"I've never felt guilty about working in the sex industry and being a parent at the same time," Sandra says. "I screen my children from my work and lifestyle as much as possible. They have no idea where I work. I won't tell them until they are adults. I don't want them to be teenagers feeling that it is acceptable for them to do this type of work as a profession. I would like them to aspire to more—go to college, do the things I didn't do."

This is not to say that Sandra is ashamed of the work she does, which has included public floggings, canings and other acts of torture. In her private life, Sandra continues to take part in fetish shows, mostly as a submissive.

"Last weekend, when I performed, one of the masters did this to my breasts," Sandra says. Pulling aside her black-Lycra V-neck, she shows off deep bruises on her breasts. Sandra flashes a devilish grin as she gingerly touches the bluish marks. "It felt so good," she says.

Onstage performances are the highlight of the Valentine's Day festivities at the Chateau. Sasha, a pretty blond submissive with small, pale tits and curvy alabaster hips, acts out a skit with one of the Chateau's regular *(continued on page 106)*

(continued from page 98) clients, Pleasurelord, a 31-year-old lawyer.

When the lights for a makeshift theater situated in one of the Chateau's back rooms come on, Sasha crawls onto the low stage, led by Pleasurelord, his fist tightly gripping her long, flaxen tresses. Nearby is a bondage table, a chaise lounge with hooks attached to the edges and wooden stocks reminiscent of a medieval torture chamber.

"Get up here, bitch," Pleasurelord growls. Sasha silently follows his lead. She stands up; Pleasurelord deftly trusses his slave to a bondage pole, with her wrists tied above her head and her breasts squeezed tightly between the ropes. The off-duty attorney mercilessly tortures Sasha's nipples, applying wooden clothespins, removing them, massaging her tit flesh, then snapping the clamps back on. Sasha mutters in apparent agony, and Pleasurelord responds by slapping her soundly across the face.

"Beat the shit out of me, master," Sasha begs throatily. Pleasurelord flips the girl around so that her ass is exposed to the audience. He uses a black-leather cat-o'-nine-tails to ruthlessly whip her back and glutes. Sasha seethes, "*Harder!*" and thrusts her buns out to meet the whip. Crimson welts rise on the sub's butt cheeks and shoulder blades.

A few minutes after being publicly brutalized, Sasha relaxes in the Chateau's parking lot/beer garden. The centerpiece on the plastic-covered card table where Sasha somehow manages to sit is a small, orange mound of Cheetos on a paper plate. Another table nearby is spread with cold cuts, beer and twist-cap wine.

"Beat the shit out of me, master," Sasha begs. Crimson welts rise on the sub's butt cheeks and shoulder blades.

"Ever since I was a little girl, I've had fantasies about pain and torture," says Sasha, who cut herself as a child to satisfy her masochistic needs.

"That was self-destructive," Sasha reflects, "but being a submissive is essentially positive, because both myself and my dominant are having fun. It can be exciting to submit to a total stranger, yet know he won't end up hacking you to pieces. It's that whole abducted-in-the-park fantasy that really turns me on."

* * *

Rita, a 23-year-old submissive, relaxes between private sessions in the Chateau's grimy front lounge. The thin brunette brushes aside an empty styrofoam cup and a discarded chip bag that clutter a coffee table and props up her feet.

"I don't mind working here," Rita says. "Although a lot of these guys aren't enough to turn me on."

Rita describes the typical Chateau client as an older man who has sufficient disposable income to pay $100 for a half hour with a Chateau staff member. "Not your typical strapping young buck," she says.

"Most guys come here because they're not getting their kinks satisfied by their wives or girlfriends," Rita adds. "Or they don't even have a wife or girlfriend. They've got to go somewhere to satisfy those needs. And then again, some of these guys are just social retards. The only way they can get a girl to pay attention to them is if they actually pay her."

Pleasurelord, a successful attorney, hardly considers himself a social misfit, but he agrees with Rita in that he frequents the Chateau when he's "in between relationships, or if the relationship I'm in doesn't feature any elements of dominance and submission."

Pleasurelord reveals that he is in the process of divorcing his first wife, who served him in the bedroom as his enthusiastic slave.

"I still came to the Chateau, though, even while I was married," Pleasurelord admits. "I'd often experiment here, then bring what I'd learned back home. But I would also do things at the Chateau that I knew my wife wouldn't accept."

Gary, a postal-service worker from Long Beach, California, estimates that he has been hiring the services of professional subs at the Chateau for three years.

"That doesn't mean I hate women, because I don't," Gary says. "S&M play is about power, on both sides of the equation. You'd be amazed by how many girls get turned on by giving a dominant guy whatever he wants. When a girl knows she's been bad, she usually knows she needs a good, sound spanking."

Professional Submissives

(continued from page 107) between the two Mexican *banda* bars that disgorge drunken men in ten-gallon cowboy hats and girls in tight Lycra wraps at 2 a.m., which is also closing time for the Chateau.

The inside of Kate's apartment resembles a college student's pad, both in the scarcity of furniture and in the abundance of books that line one of the walls. Kate is, in fact, studying French literature at the University of Southern California on scholarship. The muscular vixen works at the Chateau because of its proximity to her home, and because, she grumpily admits, "it at least allows me to play a little bit, since I'm not getting laid right now."

One feature that distinguishes Kate's digs from most coeds' dorm rooms is the arsenal of S&M toys that hangs from a steel chain hooked to her staircase. Kate, like Kelli and Sasha, is a lifestyle submissive, and claims she has an unusually high tolerance for pain.

"I used to do very heavy sessions at the Chateau, almost every day I worked, and that was five days a week," Kate recalls. "I enjoyed my sessions, for the most part, and was impressed by how much pain I could endure.

"I can't believe half the shit I did when I first started working at the Chateau," Kate confides. "I would endure, on a regular basis, 45-minute to one-hour-long sessions of straight wooden paddles, and severe canings with guys who didn't do warm-ups and never tipped. I'd show up for work, and I'd get turned down for sessions because my ass was so marked up and bruised."

"He inflicted so much pain on me that I was almost unconscious."

One of the primary turn-ons of inflicting punishment on a submissive's bottom, Kate explains, is being able to watch flawless skin welt up as a result of one's sadistic handiwork.

"That's why we have a $100 marking fee," Kate says. "If you mark up a girl so much that she can't work for the rest of the day, you have to pay $100, on top of the session cost."

Kate sinks into a gray, fabric-covered couch, with her cat cradled comfortably in her arms, and reflects on her first deviant urges. "I started fantasizing about what could be classified as sado-masochistic activities at around the age of four. I had no idea about sex. All I knew was that I was tickled by the thought of getting spanked or tied up. I would spank myself with a hairbrush, just to see what it would feel like. I used to tie up my teddy bears and my dolls. I loved the show *CHiPs*, because there was always some villain getting put in handcuffs; I always wished I could be that criminal."

Although she has a taste for the sting of a lash, Kate has suffered through sessions that were too painful even for her. "There was one time I almost quit the Chateau," she says, curling her lip. "I had agreed to do a session with a guy who I let duct-tape my mouth, which I usually don't do; I don't allow clients to gag me. But, like every psycho serial killer, this guy was extremely charming, and he persuaded me to let myself be gagged, 'just this once.'

"He had me in bondage, and hooked my ankles up in suspension for at least an hour. He inflicted so much pain on me, I was almost unconscious by the end of the session. You couldn't hear my screams because of the duct tape he kept laying in increased strips over my mouth, and because he had brought a transistor radio into the room, and kept raising the volume to drown out my cries. By then, end of the hour, my feet and calves were numb and cold; all the blood had drained from them."

In spite of this run-in, Kate insists that truly malevolent clients are in the minority. "Most of the dominant clientele at the Chateau respect the submissive girls and are competent with the equipment," she says. "I actually feel pissed at myself when I get stuck with a bad client. He didn't drag me into session."

Kate's eyes brighten when she recalls that she was often aroused during sessions at the beginning of her six-year tenure at the Chateau. And today? Kate sighs. "After a while, the luster wears off."

Kate believes she'll be a submissive for life, but she expects to stop working at the Chateau when she's finished with her degree. In the meantime, she will continue to show up at 11 a.m., in uniform and ready for duty at the McDonald's of B&D, where she will work hard to sate the kinky needs of the hungry male sadist.

"Sure, it's degrading work, but only my boss knows who I am."

Gabrielle's Cherry Ride

"This cheese-ball thinks he's hot shit because he sold me a used Caddy and had his knob polished too," huffs Gabrielle.

"But I'd fuck my dad if he knocked three grand off the sticker price.

"Dumbass tried to bait-and-switch me; so I spread my legs. Once a guy sniffs out my pussy, he's in no condition to negotiate. Now I have a car, a happy twat and money in the bank—that's just good business."

What Do Women Secretly Say Behind Their Lover's Back?

85% say they *NEVER* achieve an orgasm during sex...
72% say they *FAKED* orgasms they never had...
67% say they're *UNHAPPY* with their lover's penis size...

Muscles, Money, and Looks help, but women want a "bigger" man.

The "Average" Penis Size is Just 6-Inches... This Ad Is For Men Who Aren't Satisfied With Being "Just Average"

Herbal Science Breakthrough!
World Famous Pharmacist Creates Revolutionary Herbal Pill That Is Guaranteed To Increase Your Penis Size 1"... 2"... Even 3"... In Just A Few Short Weeks... with absolutely no side effects!

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me, I will make it worth your while to change your mind. Let me explain.

By simply taking two, 100% Natural LONGitude capsules everyday... you can increase the size of your penis in length and thickness by a whopping 26%! Sounds impossible? You bet it does, but 96% of the men who try LONGitude have great success, growing 1"... 2"... even 3" in just a few short weeks!

Be The Biggest Man Your Lover Ever Had!

Nothing, I mean NOTHING will beat the look on your lover's face when she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of FEAR in her eyes. You won't believe how a larger penis will make you feel!

How LONGitude Works:

Your penis is made up of three sperate chambers. One chamber you urinate and ejaculate from, and the other two are called your Erectile Tissue. When you get an erection, your brain releases a hormone which sends blood to your penis which fills your Erectile Tissue Chambers with blood.

Now get this, the size of your erect penis is totally dependent on how large your Erectile Tissue Chambers are. The more blood the Erectile Chambers can hold, the bigger your penis will be.

Right now, your penis is extremely smaller than what it could be if your Erectile Tissue Chambers were longer and wider. This is where LONGitude goes to work... painlessly making your two Erectile Chambers longer and wider, holding more blood, giving you the extra 1"-3" you wish you were born with.

How Long Does LONGitude Take To See Results?

Weeks 1 through 3 you'll notice an increase in thickness. Weeks 4 through 8 you'll notice growth in length and much more thickness in both erect and flaccid states. Weeks 9 and on, your penis will have taken on a new body, not just longer and thicker, but harder and healthier.

Nobody Wants To Be "Just Average"

The "average" erect penis is just 6" long. LONGitude is designed for men who aren't satisfied with "just average". You don't want to live in an average home... drive an average car... or make an average income... why settle for an "average" penis? Especially since LONGitude is 100% safe and you can do this in the privacy of your own home.

Size Does Matter!

A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better "equipped" than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short? It's up to you.

Permanent Results!

LONGitude is a breakthrough product that will make your penis grow until YOU are satisfied with your new size. Once you reach your optimum growth size, STOP taking LONGITUDE. The results you've achieved are permanent. I advise all users not to grow their penis past 8" or 9" because of the simple fact... You Will Be TOO LARGE For Most Women.

No Grow-No Pay Guarantee:

Simply "try" LONGitude for 30-days, and if after 30-days, you are not absolutely thrilled with your new growth, simply send back the empty bottle and we'll refund 100% of your money - EVEN THE SHIPPING COST! If LONGitude didn't work, we'd be stupid to offer such a powerful guarantee.

Gang-Bang Scams

(continued from page 80) record, how does Williams, who once mopped out peep-show booths, plan to pay out $1 million to the newly crowned queen of porn?

Williams describes himself as a "jack of all trades," based on his employment history as a taxicab driver, a dishwasher and, now, Internet entrepreneur. He is counting on multitudes of voyeurs signing up over the World Wide Web to pay 99¢ per minute to watch *Who Wants to Shag to Be a Millionaire?* live, via streaming video.

"We have dial-up access from over 50 countries, and we expect an online audience in the millions," Williams says.

Williams also expects to take in tens of thousands of dollars in entrance fees, at $125 a pop, for his "one-of-a-kind spectator event." Other than media representatives and men wearing blue or pink wristbands, there are no identifiable spectators in the Power Exchange basement.

* * *

Six hours after it began, *Who Wants to Shag to Be a Millionaire?* is quickly unraveling. Libra began menstruating after notching her 44th lay and has bowed out of the competition.

"That's an unfortunate call of nature," Williams says.

"Hey, I did 44, and that's cool," Libra muses, unable to hide her disappointment. "I was able to come to San Francisco and have some fun, meet some nice people, some caring people. I gave it a hell of a shot. I had some guys come back six, seven times."

It isn't long before Hot Chocolate also drops out of the contest, after some 47 turns of the screw.

Raini is still fucking away like a champ. Wild Bill is atop her, huffing and puffing like a Viagra-crazed water buffalo, as Raini obligingly moans.

Raini, on the other hand, is still fucking away like a champ. Wild Bill is atop her, huffing and puffing like a Viagra-crazed water buffalo, his hairy ass pumping up and down as Raini obligingly moans. The soles of Bill's feet are black from the dungeon's dingy floor. This grimy-soled lardass's pistoning buttocks aren't a pretty picture, but Bill is among only a handful of guys left.

Apparently recognizing *Who Wants to Shag to Be a Millionaire?* as a rinky-dink event, and a failure at that, the Power Exchange management pulls the plug on Williams's event at about 9 p.m. Raini is hastily declared the "winner" after spreading her legs for 75 guys; she climbs off her bed and confesses to a little soreness, but is able to walk without too much difficulty.

Williams, spared the expense of a million-dollar payout, promises to pay his first-place winner $75,000. Hot Chocolate, the runner-up with 47 fucks, will walk away with $50,000. Libra will take home a cool $25,000. All three "lucky ladies" will be signed to two-year contracts with Shag Productions, Williams's Internet porn company.

"One thing I might do is get an education, go to college," Raini says of her five-figure payday. "I had a great time, and I would do it again."

* * *

Three weeks later, Dennis Hof says that Forest Williams's promise to pay $150,000 to his female talent was a lie.

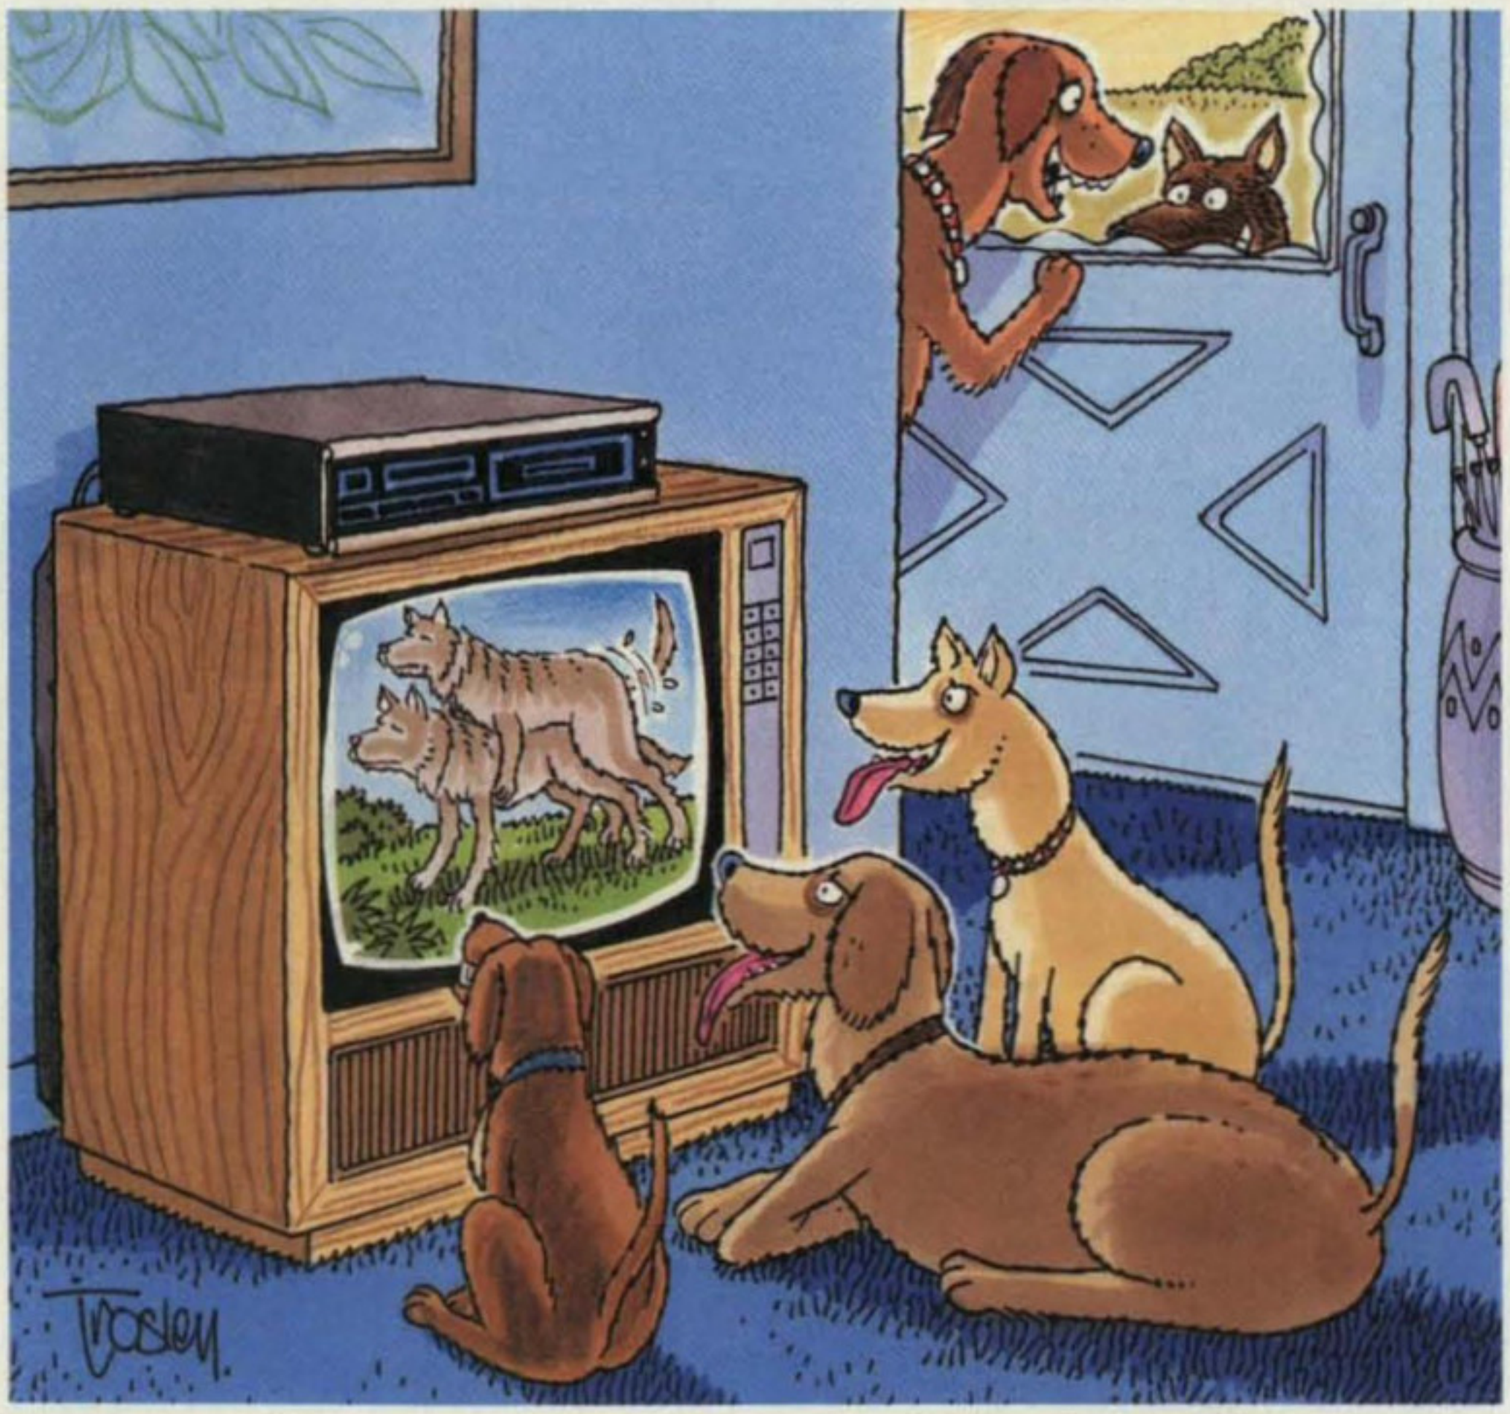
"The girls didn't get paid; none of the girls got any money," Hof says. "I got calls from two of the girls, and they're freaked out, looking for attorneys—'What do we do?'—and no money at all. He didn't even pay their expenses for the trip. This was the biggest handjob I've ever seen."

Reached weeks after the event, Hot Chocolate wouldn't comment, but Libra admits that "everyone got screwed." Raini acknowledges she has not yet been paid, but says, "I did it just to do it; so I'm not really pushing."

"This guy is such a horrible person—there's no way he's gonna pay a penny," says legendary cockmaster Ron Jeremy, who gave Williams advice on how to stage his gang-bang, which the entrepreneur completely ignored. "They should do a gang-bang called *How Many Guys Can Stick It in Forest Williams's Ass?* The guy who makes him bleed would get the money."

Annabel Chong places the *Who Wants to Shag to Be a Millionaire?* debacle in a historical perspective.

"What I find so funny is that every time we have a millionaire event, the bar gets lowered," Chong says. "Regis [host of *Who Wants to Be a Millionaire?*] asks easy questions; *Survivor* makes you hang around longer than other people. Here, you just have to spread your legs. This millionaire gang-bang thing, skanky though it is, really is a sign of the times—especially since it's such a scam."



"You gotta see this.... Rex taped wolves fucking off of PBS!"

Flash for Cash!

Attention, ladies! *Are you an amateur nudist over 18 years of age? The 2001 Beaver Hunt Grand Prize Competition is looking for you! Snap a few clear, color pictures, and mail them to HUSTLER Beaver Hunt, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every lady whose picture we print gets $250 and a chance at the 2001 Grand Prize—a photo-feature worth $5,000. Grand Prize Finalists win $1,500 each. The award for the photographer of the Grand Prize Winner is $500, and the Finalists' photographers win $250. All photographers of models appearing in Beaver Hunt receive a one-year subscription to HUSTLER. Fill out the model release below, and include copies of two forms of ID. Your photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of HUSTLER Magazine.*

Beth's an adult entertainer from Dawsonville, Georgia. Sex, dancing, camping, traveling and any outdoor activity are the 25-year-old's favorite pastimes, but "being fucked in the ass while giving one awesome cock-suck" is high on her list of future endeavors.

—Photo by Husband

Jessica, a 25-year-old entertainer from Richmond, Virginia, is working her way to heaven, but it looks like her dildo's about to venture there. The pious Beaver loves "dancing, singing in the church choir, going on Bible retreats and praising the Lord." Jessica's fantasy of "going down on Billy Graham" is sure to earn her points with the Man upstairs.

Euro-babes have a lot of worthy attributes, but a grasp of the English language usually isn't one of them. Manu, a sizzling 22-year-old vixen from Bucharest, Romania, boasts shimmering alabaster skin, shapely breasts and a pussy that looks good enough to eat. Who needs communication? Manu's smoldering, come-hither gaze says plenty.

Shayna's a student from Mankato, Minnesota. The 24-year-old pays the bills as a dancer, and loves swimming, stripping and sex. "Threesomes with a guy and a girl and being in the Mile High Club" are two of Shayna's sexual goals. She might consider taking up harmonica while she's at it—she looks like a real natural.

—Photo by Friend

Aleshia, a 22-year-old legal secretary from Minneapolis, Minnesota, enjoys skydiving and horseback riding, but "fucking in the rain" is her favorite way to get wet. "I'm easygoing," Aleshia admits. We imagine the finger-hiding brunette is fairly easy coming as well.

Hearts race when Shannon fires up her engine. The 30-year-old housewife from Etowah, Tennessee, keeps herself busy with dirt-track racing, sunbathing and striking saucy poses for Beaver Hunt. Her fantasy of "being with two women while my husband watches" is still unfulfilled, but now that she's made her HUSTLER debut, she's closer to the finish line than ever.
—Photo by Husband

A cosmetologist from Buffalo, New York, Sierra has raunchier aspirations, such as "starring in a XXX movie as the D.P. Queen." The 27-year-old works out at the gym and practices exotic dancing, no doubt in preparation for the fulfillment of her hard-core goal.
—Photo by Friend

A dancer from Los Angeles, California, Carisma loves reading and taking care of her daughter. The 34-year-old has her eyes—and everything else—peeled for "a really sexy chick" to help her fulfill her desires. "She's got to have big nipples," Carisma adds.
—Photo by Friend

"I am a go-getter," boasts Alisha of Brooklyn, New York. The 29-year-old seeks out exciting travel experiences and fine cuisine when she's not baring all in her faux-animal-skin studio. In bed, Alisha's adventurous tendencies take a backseat to her fantasies: "I'm a very submissive person. I like to be dominated by a man."

—Photo by Friend

Scarlett, 21, of Lexington, Kentucky, works as an exotic dancer, but has her eyes on a career in cosmetics. The Beaver's self-admitted assets include "a great personality and a nice ass." Scarlett also yearns to become a porn star. "My biggest sexual fantasy is to be filmed while a group of hot, sexy girls and well-hung guys pleasure every inch of my body. Any volunteers?"

—Photo by Friend

A 25-year-old housewife from Queens, New York, Jenni has a decidedly East Coast fuck fantasy that takes place atop the Empire State Building. The tattooed brunette wants to "eat out my ex-girlfriend while she sucks my snatch dry." Meanwhile, an "all-male group of onlookers masturbate themselves to orgasm." Jenni looks forward to the subsequent "downpour of cum" that will spatter "us both from head to toe."

—Photo by Husband

Sharp-eyed motorists in Seattle, Washington, might catch a peek of Victoria, 24, living out her desire to "suck my boyfriend's cock while he's driving on the freeway during rush hour." When Victoria's not working as a nanny, her favorite diversions are dancing, photography, making movies and reading. We assume that her boyfriend's favorite diversion is giving his gorgeous girl a lift. —Photo by Boyfriend

When Caroline, 31, of Ceres, California, wants to wet her pussy, she doesn't fool around. The self-employed squirt-queen loves swimming and skiing. "Role-playing and being spontaneous" are two of Caroline's favorite ways to express her dripping sexuality.
—Photo by Boyfriend

Michelle believes that a career in modeling may be in her future. One look at the 22-year-old Minneapolis, Minnesota, resident's delicious bod and there's no doubting her. An avid in-line skater, dancer and shopper, Michelle yearns "to have a sexy chick fuck me with a strap-on." Keep posing like that, Michelle, and the line of potential fuck buddies is sure to stretch around the block.
—Photo by Friend

A true Renaissance woman, Jamie, 24, of Santa Cruz, California, dabbles in deejaying, photography, writing, surfing, skateboarding and dancing. A massage therapist by trade, the multitalented Beaver aspires to "engage in and initiate a dance-floor orgy." Sounds like our kind of rave. Where can we shove the glow sticks?

—Photo by Friend

Christi's thin, pierced and perky. The 25-year-old denizen of Seattle, Washington, lists drawing, dancing, juggling, and training birds and dogs as her hobbies. "Traveling the world and fucking everywhere" is the punked-out blonde's ultimate ambition. How about starting with a trip to Beverly Hills?

—Photo by Friend

Candie, a medical-office assistant from Lumberton, North Carolina, intends "to become one of the greatest porn stars that ever lived." The starry-eyed 26-year-old likes shopping, dancing and dressing exotically. Candie already has the look and name to become a XXX starlet. We'd like a free sample so we can determine if she tastes and feels like one as well.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

I shambled toward Leala's backside and dunked my stick into her dripping snatch. "Yeah, big daddy," Leala cooed, jacking her hips.

(continued from page 47) between his legs. Don't let your boyfriend fuck with you, ladies—and if he does, remember that nothing mends a broken heart like sweet pussy. —N. D.

Sunnyside, New York

Wife Eater

I have a bit of a dilemma. My brother Frank is engaged to be married. Yet his fiancee, Leala, keeps fucking me. I certainly don't want to ruin their relationship—he's family, after all—but no man with a functioning penis could turn Leala down. The woman is unreal: blond, tight, with a face like Drew Barrymore. She's a brick house, for Chrisake. When a girl like that strolls up and offers to suck your dick, the only reasonable response is "yes, please." I suppose what I'm struggling with isn't whether I should tell my brother or not; of course I'm not going to tell him. The real quandary is, should I continue to fuck Leala after she becomes my sister-in-law? She's a no-good tramp, but her pussy is stellar.

I didn't start this madness; Leala did. Our unholy union was first consummated at Frank and Leala's engagement party. Everyone was all cheers and congratulations and, *"Finally, Frank will have a good woman to keep him in line!"* Leala played the blushing fiancee, doting on Frank and kissing our mother's ass. Once the guests and Frank were good and drunk, Leala moved in on me. At first I thought it was an accident that her big, firm titties brushed against me every time she went for the onion dip. I knew otherwise when Leala, while reaching for the bucket of beers I was loitering by, squeezed my peter. This was no casual swipe; she *massaged* the motherfucker. I freaked out. My brother's girl was stroking my cock, which was taking on the dimensions of a giant, flaming hard-on.

"Could you help me with something in the kitchen?" Leala purred in my ear, aggravating my painful boner.

I followed the wicked woman like a zombie, my eyes trained on her swaying, juicy ass as she sashayed in front of me. Spellbound, I passed through the kitchen and into the walk-in pantry behind her. Leala whirled around and locked the pantry door, pressing her glorious mams against my chest in the process.

"Your brother is a good man," Leala panted, her fingernails digging into my buns. "He's the marrying kind. You, on the other hand, are the kind of man that makes a woman's pussy wet."

I had no idea I was so irresistible. I groaned as Leala lowered my zipper and closed her soft fingers around my throbbing shaft. My mind was trying to tell me, *This is immoral. You must put a stop to this.* My penis, however, barked and twitched like a dog in heat, ably trumping my conscience. I leaned my head against a row of cereal boxes and moaned while Leala's wet, red mouth inhaled my schwang. I didn't know blowjobs could be so phenomenal; Leala's tongue was astoundingly deft. My entire rod slid down her esophagus, then back to the tip of her tongue with rapid, back-and-forth repetition. Not once did she use her hands. Her technique was seamless.

Sensing that I was already fixing to blow my wad, Leala ceased giving head and bent over a huge sack of basmati rice. She lifted her blousy, red skirt and spread her pantiless labes. Propelled by my raging wood, I shambled toward Leala's backside and dunked my stick into her dripping snatch.

"*Yeah*, big daddy," Leala cooed, jacking her hips. "Hubby's brother feels *gooood*."

Damn, bitch, I reasoned. *You aren't married to him yet. I'm not really doing anything wrong.* Desperately, I pumped harder, digging my fingers into her soft thighs and yanking her golden hair. I spanked her cushiony butt—*pow! pow!*—until angry welts appeared in her fair flesh. This wanton slut was going to make me come, and make me crave her for the rest of my days.

Leala's quim shivered and sucked my plug all the way in. I bit my tongue until it bled to suppress a monstrous cry as my cock spewed sauce into Leala's womb. We fucking came in unison. Goddammit, I'd never had it that good before. Good thing the crowd was so loaded when we emerged from the kitchen to mingle; any sober person could have smelled nasty on Leala and me from across the room.

Maybe the "right" thing to do would be to give Leala the boot after she marries my brother. But her coochie is like heroin, and I'm nowhere near ready to kick it. I did not know real pleasure until I met that hussy. —S. A.

Patrice Is an Indecisive Snizz

Photography by
Denys DeFrancesco

Patrice has trouble making up her mind.

"I love the feel of man-meat stretching out my ass,"

muses the capricious ginch.

"Then again, a tongue tickling my clit also makes me flood.

"The other night, this strange guy butt-fucked me while my girlfriend gave me head.

I was trying to decide whether I prefer tongue or bone. All I learned was that my ass turned raw, my pussy felt tender, and I loved it!"

April Cooze

Packed with more uncensored action than ever before, HUSTLER goes ever further in its commitment to reader satisfaction with the introduction of scratch-and-sniff pictorials. In addition to the olfactory enhancement of America's most important magazine, guest lensman Bill Clinton debuts his photographic talents with an exclusive, piss-soaked spread featuring the golden Gore daughters as they've never been seen before. Readers who lend credence to these promises will also find their mugs on display in a special gallery-of-fools pictorial in the April issue of HUSTLER. The less gullible can look forward to seven explicit layouts displaying enough cock-hungry pussy for even an idiot to appreciate.

Male-Order Tricks

Advertisements promising men the chance to earn cash by providing "intimate services to lonely ladies" pepper the classifieds of adult publications and alternative weeklies nationwide. Shattering the fantasies of every eager hard-on who has ever dreamed of selling his body to horny housewives and wealthy businesswomen, reporter Dan Kapelovitz separates male-whoring myth from reality. In a cautionary HUSTLER feature, Kapelovitz exposes how companies that place such ads bilk hopeful male escorts out of hundreds of dollars, and conducts candid interviews with established gigolos to examine how studs for hire get screwed.

Carnal Alchemy
Recipe for Disaster?

Sex and drugs were around long before rock 'n' roll came along to complete the unholy trinity. People throughout the ages have used brain-changing compounds and herbs to enhance their sexual experiences. Unfortunately, mixing chemicals and desire has always been an unpredictable and sometimes dangerous pursuit. In the April HUSTLER, author David Jay Brown provides a valuable public service with his beginner's guide to combining sex and drugs. Detailing the effects of commonly used recreational and prescription pharmaceuticals on the human libido, this installment of *Sex Play* will prove indispensable to mad scientists, devoted perverts and everyone in between.

Spring Creaming

Join in on the foolishness when *Bits & Pieces* takes readers on a rude keister-egg hunt. Chocolate bunnies will melt from the heat of a dozen scorching *Erotic Entertainment* reviews. Sit at the roundtable as we explore ways to improve the state of interactive porn. The pink rains down on readers when 17 homegrown Honeys spread their slits in *Beaver Hunt*. April's HUSTLER commemorates Arbor Day by sprouting hardwood all over this great land.
